

[KINDLE] ❄ Ignorance Is Not Bliss: Sweet Melissa Book One (Sweet Melissa Memoir Series 1) (English Edition) ♡ Susan Segovia Munoz – Soccerjerseys-wholesale.co

Posted on 08 March 2017 By Susan Segovia Munoz

I was disappointed in this book Although it s interesting, the writing is very elementary and there were grammatical errors commas everywhere This distracted me I also don t like that the author cuts off the book and you have to buy the next one to see what happens It s not that long to begin with She also doesn t elaborate much, if it all on how she feels when the consequences of her actions happen She learns nothing She writes as if she is doing a book report If being roommates with someone doesn t work out, why do you repeat the action with multiple others doing the same thing when you know they aren t good choices Annoying I will not be purchasing the next book. Not very well written Devoid of any real emotion Just doesn t captivate the reader feels like a list of things she did each day. Susan has written an extraordinarily honest account of how she fell prey to addiction The stories of her life as a provider are all the daunting for the matter of factness with which she describes that work This is a very inspiring book for anyone who believes they are beyond help or anyone who questions whether the clean path is even a possibility for them I love stories of redemption and of courageous people who successfully combat their demons, against all odds Sweet Melissa is such a book Thanks Susan Worth the money Good read for those interested in the lifestyle of addicts and their
