

?Read? ⇨ **Breakup: The End of a Love Story Author Catherine Texier – Soccerjerseys-wholesale.co**

Posted on 09 March 2017 By Catherine Texier

I read it straight through What a woman, what a love story I had a magical romance that came an unexpected and abrupt end I couldn't believe it either She has captured the anguish well. Raw and affecting Read it years ago and just came back to it recently. I Will Never Forgive You I Will Never Make Love With You Again I Do Not Love You Any Breakup Is The Erotically Charged Chronicle Of The Tempestuous Final Months Of An Eighteen Year Romantic And Literary Partnership, Self Destructing In The Aftermath Of The Ultimate Betrayal Fearlessly And Courageously, Texier Chronicles The End Of That Love As It Is Wrecked By Infidelity And Deceit In A Literary Tour De Force Reminiscent By Turns Of Marguerite Duras And Henry Miller Texier Writes In Harrowing Detail About The Powerful Sexual Relationship She Shared With Her Husband Even During Their Breakup, How Sex Between Them Became A Substitute For Real Intimacy, And How The Fabric Of A Marriage A Shared Cup Of Caf Au Lait On A Yellow Table Every Morning, The Memories Of Giving Birth To Two Glorious Daughters, Of Coediting Their Own Literary Magazine Is Brutally Dissolved Breakup Is Unsentimental And Unflinching, A Journal Of Love S Exquisite Torture Every Emotion, Including Rage, Disgust, Self Pity, Hatred, Sympathy, And Jealousy, Is Mined Heartbreaking, Too, Is The Effect Of The Breakup On Texier S Two Children Who, Sometimes Caught In The Crossfire Of Their Parents Turmoil, Are Trapped As The Relationship Spirals Out Of Control And Their Once Secure Home Becomes A Battlefield Ultimately, Breakup Is About The

Risks One Great Passion Involves It Is A Journey Of The Heart In All Its Wild Beating A Courageous Diary Of A Soul Laid Bare, And The Redemptive Power Of Love Really raw stuff Brutally honest and affecting A couple of representative quotes 1 It s not true that stories climax and resolve It s only true in the make believe world of fiction In the real world stories get told over and over, like a Mobius knot And though Texier embraces this sentiment of stories told over and over her repetition is about emotional release than really telling stories I kind of wish there were scenes, stories.2 Passionate love affairs die hard They convulse and writhe and agonize till the bitter end But the bliss and the headiness of love is worth the agony of the breakup Death always comes at the end of life Oh, the hard and brutal truths of life Read this after it was recommended by Chloe Caldwell It s entirely unforgettable. this book will totally inspire you the next time you think you can t live without the one who left Brutally honest I will not soon forget this one For most of the book, very little actually happens but my heart raced and I couldn t put it down My marriage ended in twenty minutes I am now grateful for that But as painful as it was, she turned the breakup into something remarkable and unlike anything I ve ever read before I kind of want to thank her That s how good it is. I love stories that are raw and honest This is one Gut wrenching real memoir of the last year of a marriage This is a tangled web of Catherine s feelings when she finds out her husband has cheated on her and is planning to move out She goes through many stages as she still loves him Sorrow, anger, calmness, confusion, and acceptance. Without exaggeration, this is one of the most moving stories about the end of a relationship I ve read I don t know if it s the way that it staddles both the side where the serious passion existed and the side where that passion is over, but it s something I expected to only see the rage against the nonspeaking partner and the hurt felt by the writer, but it seemed like I felt everything There has to be everything if it s going to be real, because a breakup where there was nothing to morn has no magnitude Of course, I can t say I had a good judgment of the guy, but still The writing, the words, everything in this book hits hardbut at the same time with a unique tenderness The words are lite rapid fire emotional bullets, gem like dazzling and beautiful bullets This is quite a story.
