And Seek Revenge By Methods Of SEX, LIES, DECEPTION And SEDUCTION Fate Steps In, Knocks You Off Your High Horse While Your Feet Rest Comfortably In The Stirrups Of Satisfaction And Drags You Back To The Reality That You Are Not In Control Kismet The First Book Of The Beyond The Bedroom Series, A Collection Of Dramatica Drama Erotica Will Leave It S Readers Fantasizing About Sexual Possibilities, Exploring And Rediscovering Personal Pleasures, Reconsidering Seeking Revenge And Leaving It In The Hands Of Fate New Authoress Raynesha Pittman Has Penned A Clear And Sexy Definition Between Karma And Kismet And Will Leave You Wanting For Details About The Book Please Read The Author S Blog Titled What Makes Kismet One Of A Kind I am not giving this book any stars I won this book so I felt that I had to read it and because I m addicted to reading and I have to finish books once I start them I had a hard time imagining that this woman got where she was in her company with her extracurricular activities, and the way she spoke I wouldn t even rate this book for the sex since that s what it was all about because it was very tasteless, and poorly worded. I thoroughly enjoyed this book I would recommend it to all who ask for a good read. New Author on the scene Raynesha hot tale took me on a ride of mixed emotions I love the story and can t wait to read. SPECTACULAR READ X Factor For Savannah James the world is her oyster A college educated woman, she s handsomely paid and lives her life doing what makes Savannah happy at all times When the chance to go back to California arises, Savannah is pleased that she finally gets to go back home and show everybody that clowned her who and what she has become No longer Na Na, that tomboy with the jumper, Savannah has her mind set on revenge When she starts doling out the punishment, there may be blowback Is she ready to deal with the consequences of her actions KISMET by Raynesha Pittman is just okay The story offers revenge, drama and secrets, but it also deals with very serious issues that I think the author should ve used care with The author spent so much time on the revenge aspect of the story, that character development, formatting and editing obviously fell to the wayside While KISMET has the appeal to hold your attention, the book is in terrible condition There are missing punctuation and words, misspellings, wrong tense and
