Maybe I didn't enjoy this one because I haven't read the series yet but for whatever reason I just didn't care for this very much, I very seriously doubt it would make me want to read the series if I hadn't already heard all the great reviews about it. Also in Passing Is The Short Story That Launched The Smash Dark Fantasy Series, CRUSADE The Vampires Have Declared War On Humanity And They Have Won Now It S New Year S Eve In Salamanca, Spain And The Academy S Graduating Class Of Vampire Hunters Are Taking Their Final Exam Stake The Cursed Ones Attacking In The Fog, Or Die Jenn Has A Fighting Partner Named Antonio De La Cruz and He Has A Big Secret but Jenn S Got A Secret, Too, And It Nearly Takes Them Both Out Passing Can Be Purchased Via Smashwords

Awesome way to start the Trilogy This novella had some much put in this short story that was very enjoyable I am already loving Jen and Antonio but especially Jen She is a badass hunter and can't wait to find out about her My advice would be to read this novella before you read Crusade It is a fun start, but I couldn't get over the things that they changed from this novella to the series It just didn't feel right to me and I was cringing I read the note by the author s at the end and felt a little better. Ok at first I was confused because things didn't seem to mesh with what we learned in the first novel but by the end everything made sense It was actually really interesting the way things played out I enjoyed this prequel immensely. Although I haven't read the Crusade series, this short story has intrigued me I am looking forward to seeing this take on vampires, werewolves, witches, and humans working together

to fight evil Nice, quick read I enjoyed the characters, and their world and hope I get the chance to read the story again and or to read within the series. My Rating System couldn't finish, wouldn't recommend, would recommend, would read again, have read again. Interesting short story It was okay not sure if I liked it enough to carry on with the series though. As the novella lead in to their new Crusade series, Nancy Holder and Debbie Viguie have given us a fleeting yet very intriguing look at what is to come. The brief glimpse we see of each character is enough to ignite immense curiosity The pairing of each vampire fighting duo is clever and will obviously give us some fantastic adventure, suspense, some love and without a doubt some devastation if you've read the Wicked Series by Nancy and Debbie, you'll understand that not everything will be an immortal bed of roses. Enjoy Marissa
