Me gusto bastante, mas de lo que esperaba, lo le muy r
pido Personajes Me encanto Rachel fuerte, decidida,
buena en su trabajo Zack me agrado, pero me pareci
muy salvaje, demasiado impetuoso para mi gusto Nick
un poco perdido y marcado por el rechazo, pero bueno
en el fondo Trama Me gusto la trama, me pareci buena,
me hubiera gustado ver mas a Rachel en la corte, claro
obviamente en este tipo de libro siempre sientes que
falto algo.

Rating 3.5I enjoyed this, the heroine is a public defender
assigned a case of a young nineteen year held on
burglary charges, she likes him, he s got a good lost vibe
and then she meets the hero Zack who shouts on her
and then she finds out that he is the step brother of her
client and willing to step up to save his brother even is his
brother is too angry to want help.Rachel somehow
manages a supervisory deal for Nick, with her as the
guardian which keeps bringing her in contact with Zack
and the attraction between them and before they know it
they are involved But there is Nick and his infatuation
with Rachel as well.As usual the family times were good
and so was the relationship, we also see Nick figure his

Muy muy bueno. Rachel, es una abogada exitosa que ha decidido poner sus habilidades en manos de la ley. Después de conocer a Nick, su último ladrón para defender, de no más de 19 años, es nombrada como su tutora bajo la libertad condicional. Pero junto a Nick viene su hermano mayor, Zach. Un ex marino con un carácter bastante fuerte que logra colarse en su amor por la justicia.

Always a quick but good read. I thought I had lost this book but found it in the garage. I should've been working on lesson plans, but oops. When I'm stressed out and just

overwhelmed, there is nothing like a Nora Roberts story to help me relax.

This was the only Stanislaski book I hadn't read yet and I'm so glad I finally got a copy. Rachel is a public defender who got tagged with helping Nick. He had been caught robbing an electronics store, but she could see that he wasn't a hardened criminal. The judge assigned her to be a guardian for Nick along with his stepbrother Zack. There were sparks between the two from the beginning, but Rachel tried to keep things professional. Zack wasn't having any part of that; he was deeply attracted to her and made sure she knew it. Rachel could see that Zack really wanted to do what was best for Nick, and she could see that Nick's biggest problem was that he felt alone. Being the hardheaded guys that they were, neither one was any good at expressing feelings to each other, so Rachel had her work cut out for her. She also had to deal with her growing feelings for Zack and the crush that Nick had on her. I loved seeing how much Zack cared about Nick, but how lost he was about showing him. I liked the way that Rachel was able to show both guys how much the other cared. I also loved the way he was there for Rachel when she was attacked and how the tender side of him showed up through the tough guy attitude. I really enjoyed the closeness of the Stanislaski family and how they welcomed Zack and Nick into it. I loved the way that Rachel and her brother Alex had such a rivalry going on, but their love for each other was apparent throughout. I really liked the judge and her discussion with Rachel at the bar, and then her ruling in the courtroom at the end.

One of these days I will have to reread the other Stanislaski books.

Falling for Rachel is about Rachel Stanislaski, a public defender Rachel has made her job as public defender her life She does little, except with her family, when she is not working It is not that she doesn t want a life she just doesn t have time for one Now, she is rushing to court to defend a young gang member who is being tried on burglary charges The problem is that the arresting officer is her own brother who did nothing wrong with his arrest The judge decides on a different punishment for Nick after his brother steps in to help She sentences Nick to living with his brother and working for him as he gets his life straightened out To add to this, she gives Rachel the job of court liaison with Nick and his brother She has to be involved with Nick enough to make a reliable report with Nick Now Rachel has to fight becoming too involved with Nick to be forthcoming in her report but so, she has to fight becoming too involved with Nick s brother, Zack.
