

## ➤ [Read] ▶ Anna and the Duke (An Avon True Romance, #3) By Kathryn Smith ➤ – Soccerjerseys-wholesale.co

Posted on 10 May 2018 By Kathryn Smith

This historical teen,ya romance starts off when Ewan McLaughlin, who has lived with his Grandmother all his life in a small Scottish village where his family s Castle lies falling into dilapidation receives a letter to say that he must go to London at once because his father who he has never had contact since baby and early toddler hood has died and has left him the title of Duke Angry and wondering why his father left the title to him, Ewan is reluctant to go to London but goes to meet his Father s new family who have been left behind There are many challenges along the way such as the hostility of his half brother Richard towards him and the new ways of London society but when Ewan meets Anna Welsley and unsuspectingly falls in love with her, that just anger s his brother as she is her fiancée The story follows what happens to all the character s relationships between eachother and the obstacles that they have to overcome to follow their hearts.I have heard from other people that this plot has been done several times before but this didn t spoil my enjoyment as I had never read a book like that before, but even if that is the case for the reader, I think the well developed and unique characters make up for this as I really cared about what happened to them.I loved the romance between Anna and Ewan, it was so cute and just what I was looking for a clean teen romance as many of the adult historicals are unsuitable Anna s shy but bubbly occasionally, kind personality and the things that she did reminded me a bit of myself and Ewan was a great hero, tall and handsome but with flaws too so that he seemed human

You get to know both Ewan and Anna well by the end of the book as each chapter, although written in the third person, follows what happens to either Anna or Ewan. Right from the beginning I thought they would be great together, especially with their love of books and poetry. However, this book doesn't just focus on love as there is an element of adventure and mystery to it that adds an extra dimension to the book and makes you desperate to find out what happens at the end as it is quite unpredictable. I would recommend this to anyone who wants a light-hearted book with an adorable romance set in the past that keeps your heart fluttering and makes you sigh. If you have never tried reading a historical romance before but enjoy modern-day romances, this would be a great innocent read to start with. This is an Avon Teen Romance so it's a sweet, clean romance book. There's no 40-page sex scenes, so I think that it's appropriate for any age. Anna Welsley is a sweet, kind girl who is engaged to a man who grew up thinking that he was going to be a duke after his father died only to find out that his father had been married before and he had an older half brother from Scotland who would actually become the duke, Ewan MacLaughlin. Ewan hates his father for leaving him and his mother to fend for themselves when he was a small child. He goes to England to claim his inheritance inky because he needs the money to save his lands and his people. He has no wish to be a duke, but in order to take the money he has to take the title. He is surprised to find a sweet and loving stepmother, Hester, with an equally sweet and loving half sister, Emily. He is not surprised to find a bitter and angry half brother, Richard, who thinks that he is entitled to the dukedom. The book goes on with Anna eventually realizing what a spiteful man her fiancé really is and what a kind man Ewan is. She can't help but fall in love with him, and Ewan can't help but fall in love with her. Imagine how angry that made Richard. This book was very well written and I plan on reading books by Kathryn Smith. Anna and the Duke packs tons of drama into a quick-paced, cute romance. This isn't a groundbreaking story by any means, but the main characters are highly likeable and the villains are a delight to despise. The plot itself is full of twists and turns, and there's tons of drama. There were some unexpected things that I really enjoyed. Ewan's stepmother is welcoming and loving towards him despite the fact that he is a

child of her late husband's previous marriage. This was nice, because it would have been so easy to despise Ewan's father's second family, but his stepmother and half sister were way too loveable to do that. There were a couple of moments where I felt like the conflict was frustrating because it came about from simple lack of communication, and there would have been far interesting ways for the plot to develop, but other than those small moments, I was overall intrigued. I love how the revelations about various characters came in small amounts so that I kept getting surprised as I read along. This is a sweet romance with lots of intrigue and thriller elements to keep it interesting. If you can find yourself a copy of this and want some light reading, this is definitely the perfect book to do that with. Also posted on Purple People Readers. Una novela romántica histórica que me encantó. Los protagonistas son dos jóvenes ella 18 y él 24 que viven su primer amor. Hay romance mezclado con un poco de acción y algo de intriga. En este libro, Ewan un lord escocés descubre que su padre un inglés le ha dejado como herencia el título de Duque, además de mucho dinero y una mansión en Londres. Ewan tiene preciosos recuerdos de su padre y cree que este los abandonó a él y a su madre. Vive con su abuela en un castillo escocés que casi está en ruinas y decide aceptar la herencia solo para poder reconstruir el hogar de su madre y de su infancia. Cuando va a Inglaterra a posesionarse de su título conoce a Anna en una librería, y cuando llega a su nuevo hogar descubre que tiene un medio hermano Richard, una media hermana Emily, además de una madrastra Hester. Esta es la historia de la pelea entre Ewan y su medio hermano Richard por el Ducado y por el amor de Anna quien está prometida en matrimonio con su medio hermano Richard. Anna es una chica joven y divertida, con mucha personalidad, bonita pero no demasiado y es buen partido a pesar que su padre no es un noble pero sí tiene mucho dinero, es atrevida para su época, no solo lee a Byron, sino que es capaz de comportamientos prohibidos para la sociedad en que vive por ejemplo besa a un hombre que no es su prometido y de un cierto apasionamiento producto de su descubrimiento del primer amor. Ewan no piensa en casarse aún ni tampoco ostentar de su título, solo quiere rescatar el castillo para honrar a su madre y poder ayudar a la gente que depende de él. Es un joven atractivo, simpático, inteligente,

Seventh Son

honesto, buenazo de corazón y que también lee poesía como Anna. Ewan sin querer se enamora de Anna y trata de evitar este sentimiento porque ella es la prometida de su medio hermano y no quiere hacerle daño, pero que siente realmente Anna por él amar realmente a Richard o solo está obligada a casarse con él. Anna se siente atraída por Ewan a pesar de sentir cariño por su prometido, pero que hará cuando descubra cuáles son sus verdaderos sentimientos. Una novela dulce, romántica, encantadora, muy rosa pero sin caer en la cursilería o en remilgos. Predecible como casi todas las novelas románticas, pero me gusta como está escrita. Sus protagonistas son muy queribles y se engancha rápidamente con la historia. Los personajes secundarios no son muchos: madre y padre de Anna, Richard y Emily hermanos de Ewan y Hester su madrastra, la madre de Anna una mujer ambiciosa que busca para su hija escalar posición dentro de la alta sociedad londinense, ella y Richard los conspiran contra Ewan para arrebatarle el título de Duque. Lo lograrán o se arrepentirán de su maldad. Una novela ingenua y nostálgica con ese romance de época en que los protagonistas solo pueden expresar su amor con gestos, miradas, con frases leídas entre líneas. No hay escenas de erotismo, solo un romance que sellan con un par de besos. Una novela romántica que le prestaré a mi hija de 13 años para que la leyera. Una novela ideal para leer entre un par de libros literarios, o para una tarde de pereza en verano, para subir el ánimo si estás melancólica. Está catalogada como romance juvenil y te hará recordar con nostalgia romances al estilo de Mujercitas o de Anne de Green Gables, una novela para el alma romántica como la mía. Reseña en el blog I have read this book many times. It is a romance novel with a bit of action thrown in. In this book Ewan finds out that his estranged father left him a dukedom. When he goes to claim it he finds out that he has a half brother and a half sister as well as a stepmother. This is the story of the fight between Ewan and his half brother Richard for the dukedom and for Anna's hand in marriage. As the book covers go, it's pretty bad. And the writing isn't really great either, it's clichéd and cheesy. However, it's an interesting story line and you're sucked into the story of Ewan and his birthright as the next duke. It is most definitely not Georgette Heyer, but it serves its purpose as a light read. I read the whole Avon True Romance series in high school and I rate this one as one of the

better ones of that grouping. Ewan MacLaughlin Jam S Conoci A Su Padre, De Modo Que Cuando Hereda El Ducado De Ste, Se Siente Reacio A Viajar Hasta Inglaterra Y Conocer A Los Hermanos Que Siempre Ignor Que Ten A Pero Una Vez All , Tambi N Conoce A La Prometida De Su Hermano, Y Se Siente Prendado De Ella De Inmediato Anna Wesley Sabe Que Deber A Estar Contenta Con Su Vida Tiene Fortuna Propia Y Un Maravilloso Prometido, As Pues Por Qu No Es Suficiente Y Cuando Conoce A Ewan Comprende Qu Es Lo Que Siempre Le Ha Faltado En La Vida Y Lo Que Le Har A Realmente Feliz Anna Cualquier En La Posici N De Anna Estar A, Como M Nimo, Satisfecha, Ya Que Va A Heredar Una Fortuna Y, Despu S De Un Rutilante Debut En Londres Durante La Ltima Temporada, Se Encuentra Comprometida Con El Hijo De Un Duque A Pesar De Todo, Un Sentimiento De Descontento No Deja De Carcomerle El Alma, Y Mientras Su Madre Se Afana En Planear Su Boda, Anna Se Pregunta Si Est Enamorada O Se Trata Nada M S Que De Un Matrimonio Por Conveniencia El Duque Ewan MacLaughlin, El Hijo Desconocido De Un Duque Ingl S Que Acaba De Fallecer, Es El Reticente Heredero Del T Tulo De Su Progenitor A Su Llegada A Londres, Debe Enfrentarse A La Viuda De Su Padre, A Su Hermanastra Y A Su Hermanastro, Richard, Que Esperaba Convertirse En El Duque Y Mientras Se Familiariza Con Sus Reci N Encontrados Parientes, Se Da Cuenta De Que Cada Vez Frecuenta M S La Prometida De Richard, La Hermosa Anna Cuando Resulta Evidente Que Richard Est Conspirando Contra Ewan, Anna Se Siente Obligada A Advertirle Pero Lo Que Comienza De Modo Inocente Pronto Se Convierte En Traici N Cuando Anna Encuentra La Respuesta A Su Coraz N En Ewan This was a sweet and clean romance I would definitely read books like this It held my attention from the beginning to the very end The book was short and quick to get through I would recommend this book to just about anyone. Okay, so this is totally a YA romance novel, but I loved it It s a good love story without any mushy adult scenes. It s good to read if one is in a nostalgic mood FYI I ve never read an adult romance novel nor do I want to. I just re reading this one because I couldn t remember what happened It s an easy read that has clean romance It s connected with Emily and the Scot so read Anna and the Duke first.
