

# [EPUB] \* Hart's War Author John Katzenbach – Soccerjerseys-wholesale.co

Posted on 03 July 2017 By John Katzenbach

Second Lieutenant Tommy Hart, A Navigator Whose B Was Shot Out Of The Sky In , Is Burdened With Guilt As The Only Surviving Member Of His Crew Now He Is Just Another POW At The Fiercely Guarded Stalag Luft In Bavaria Then Routine Comes To A Halt With The Arrival Of A New Prisoner First Lieutenant Lincoln Scott, An African American Tuskegee Airman Who Instantly Becomes The Target Of Contempt From His Fellow Soldiers When A Prisoner Is Brutally Murdered, And All The Blood Soaked Evidence Points To Scott, Hart Is Tapped To Defend The Soldier In A Trial Rife With Racial Tension And Raw Conflict, Where The Lines Between Ally And Enemy Blur, There Are Those With Their Own Secret Motives, And A Burning Passion For A Rush To Judgment, No Matter What The Cost From The Paperback Edition La guerra de Hart es una gran thriller de suspenso con toques de acci n y drama, que tiene de fondo sugerente la 2da Guerra Mundial y presenta un conflicto racial muy bien desarrollado Al principio la lectura parece anunciar un libro de acci n en plena guerra, pero despu s deriva en un policial que se centra principalmente en el juicio al teniente negro por el asesinato de un compa ero, y se sospecha de l por tener una relaci n conflictiva a base del racismo con el muerto Por supuesto que la tarea de defenderlo no va a ser nada f cil, ya que hay muchos intereses en juego tanto de la parte americana como de la alemana, y tratar de desentra ar el misterio les va a costar mucho m s de lo que imaginaban.Los personajes est n tan bien caracterizados que uno los odia o los ama el protagonista Hart es un sobreviviente que al enfrentarse a una tarea bastante dif cil sale adelante

utilizando todas sus fuerzas el teniente Scott, el acusado, en un principio es bastante melancólico y apático al que le gusta estar solo, es impulsivo y algo arrogante, pero no le impide hacer buenas migas con Hart hay muchos secundarios bastante buenos, tanto aliados como alemanes y sin embargo el personaje más destacable entre los villanos por así decirlo son el coronel MacNamara, un soberbio americano que hará lo que sea con tal de mantener el honor impecable a pesar de estar preso su personaje está tan bien hecho que lo odias con todo y mayor de las SS Heindrich Wisser, encargado de supervisar el juicio Hay sin embargo un cambio bastante grande en la actitud de algunos personajes cuando aparece en escena un giro de la trama bastante interesante y si uno está lo bastante atento puede sacarlo antes de tiempo, pero que de ninguna manera se desaprovecha. Es remarcable lo resaltado de los códigos de honor y respeto que marcó John Katzenbach a partir de la experiencia de su padre Nicholas, que fue prisionero de guerra en un campo de concentración el sacrificio que hacen los personajes por mantener sus valores humanos y morales está tan bien incorporado que hasta puede hacerle saltar una lágrima al más sensible La guerra de Hart es un gran libro también fue trasladado a la pantalla grande con Bruce Willis y Colin Farrell, como se puede ver en la portada que desencaja con todo lo que vino haciendo Katzenbach hasta ahora, pero según él es un libro que siempre quiso hacer, y no lo culpamos es una gran historia con un mensaje bien potente y conciso. Well, Hart's War is another of those books which I've let languish on my book shelf for over ten years I initially purchased it to read before watching the movie of the same name and when I watched the movie prior to reading, I lost interest in the book This was an unfortunate decision as I was to discover John Katzenbach's writing is exceptional and his ability to create the atmosphere of the WWII POW camp, develop characters, create a first class mystery and leave the reader with moral dilemmas to solve, shows me that he is a writer who I should continue to read and should not have passed by until this point. The setting is Stalag Luft Thirteen, which like the camp from Hogan's Heroes has allowed no escapees It is an oppressive place and Tommy Hart, Much like the other prisoners feels the lack of freedom acutely Before the war and being shot down, Hart was working on getting a

degree in law from Harvard When a man is murdered in the camp Hart is given the task of defending the African American Tuskegee airman who has been charged. In developing the setting, Katzenbach had the help of his father Nicholas Katzenbach, former Attorney General under the Lyndon B Johnson administration and a POW in a German prison camp during World War II This is reassuring to the reader who desire authenticity. While the book is one which has a cast of characters, Katzenbach is able to flesh out a character in a few short sentences as is the case of Vincent Bedford or Trader Vic Bedford had a thick, southern drawl, with an excitable quality to it He was an excellent poker player, a than passable shortstop who d done some time in the minor leagues Before the war, he d been a car salesman, which seemed appropriate But what he truly excelled at was the commerce of Stalag Luft Thirteen, turning cigarettes and chocolates and tins of real coffee that arrived either in Red Cross parcels or packages from the States into clothing and other goods I love a good mystery and Hart s War is certainly that While the reader has many pieces of the puzzle the whole of it does not come together until the end of this suspenseful story I thoroughly appreciated how it came together. As with many of my favorite books, this one left me much to think over and especially the moral dilemmas which are likely to occur during a time of war I highly recommend this book and look forward to reading from John Katzenbach. No esperaba mucho de este libro aun no eh visto la adaptaci n cinematogr fica o si ya la vi no recuerdo nada ya que con el autor he tenido varios sube y baja con sus novelas, el psicoan lista me gust mucho, la historia del loco me dej indiferente, y el juicio final me pareci bueno pero su sinopsis me da o gran parte de la novela este como el cuarto libro que leo del autor llegue con algo de recelo pero a la vez entusiasmado ya que me gustan mucho las historias ambientadas en la segunda guerra mundial, y este al centrarse en un campo de prisioneros de guerra ya ten a toda mi atencion. La ambientaci n esta muy bien argumentada y descrita, permitiendo adentrarnos en lo que sufr an los prisioneros que seg n cre a yo viv an en condiciones m s precarias dentro de estos campos. Los personajes son magnificos, bien definidos tanto su personalidad como su forma de actuar y pensar, el nico problema que le logr ver en toda la

Seventh Son

novela eran los diálogos, y no es que estuvieran mal solo que sent que hab a momentos en los que se pudo explotar la tensi n del momento que sin embargo se diluian un poco por la presencia de unos di logos algo cinematogr ficos que no quedaban nada bien, aunque repito no todos eran as y de igual forma no me impidieron seguir con la lectura.El final, creo que es el punto fuerte y el d bil en los libros que he le do de katzenbach, me explico en los cuatro libros que llevo hay un elemento en com n en el ltimo tercio y es que el malo de la historia siempre resulta ser un personaje o que no tiene participaci n o que interviene muy pocas veces excepto en el juicio final claro esto aunque no me afecta mucho si me empieza a cansar un poco, Pero por otro lado la espectacularidad en cuanto a momentos y emociones que transmiten los finales en especial este es indiscutible, me hizo sentir repulsi n, fatiga, agobio un conjunto de emociones que me atraparon en las ltimas 100 p ginas que tuve que leerlas de corrido, quiero darle una oportunidad al autor con otro de sus libros para terminar de decidirme si me gusta o dejarlo como otro autor que leere de vez en cuando

Depressing book And I mean depressing because the book is so bad it will put a sad face in every reader it gains The story is kinda good, but it gets annoying VERY often I do not recommend it to anyone, specially if you like to read about WWII view spoiler Plus, the ending is the biggest peace of SHIT you could ever imagine Fucking terrible hide spoiler Once again I find myself conflicted The story was compelling and I like the way he draws the characters however, this book was 551 pages So much could have been tightened up and I find his repeating of specific things to be irritating Do we really need constant references to his beloved watch given to him by the love of his life it seems to be in every other page That being said, I stayed up till midnight reading the last 100 pages because the story was so compelling I think he needs a better editor. A truly outstanding book It will put readers into the same mindset as To Kill a Mockingbird and also A Time To Kill Also, if you haven t done so already, rent the video about the Tuskegee Airmen It was a fascinating book of war, legal battles, and racism What a fantastic book I loved the movie, and the book is even better I m happier with the ending of the book than I am with the movie ending. Das Buch hat mich richtig gefesselt Keine Ahnung, ob

die historischen Fakten alle korrekt waren, aber sie waren authentisch John Katzenbach schreibt einfach immer sehr intelligent und es wirkt, als wenn alles gut recherchiert ist Ich hatte die Geschichte zu keinem Zeitpunkt durchschaut Excellent book Couldn t put it down once it got going It s basically a crime drama set in a POW camp during WWII Pros 1 Good main character He cares about other people He doesn t say he ll do this and that He just does what needs to be done.2 Good supporting cast I didn t like that the author mentioned that this character or that character is complex It is true that the characters were multi dimensional.3 There are so many antagonists, you have no idea who to trust.4 Great build up of tension towards the end.5 The plot developed beautifully, the ends came together.6 I m not a black man, so I don t know how authentically his viewpoint was portrayed, but it FELT real I thought the author handled the difficult subject matter well and that he gave all viewpoints equal attention.7 Great ending Though the epilogue was a bit long When I was done I went back and reread the prologue It all came together.Cons 1 A bit slow at times especially during the first half But the tension builds slowly It could have been shortened by at least a 5th.A must if you like war stories and crime dramas.
