I love the Diaries than the Letters, they re intimate and direct about her experience, largely of other people.The Letters are masqued through layers of convention and expectation.Her Diaries are much wicked, and that s high praise, indeed in thought and deed Amazing E Book, The Diary Of Virginia Woolf, Volume II 1920 1924 Author Virginia Woolf This Is Very Good And Becomes The Main Topic To Read, The Readers Are Very Takjup And Always Take Inspiration From The Contents Of The Book The Diary Of Virginia Woolf, Volume II 1920 1924, Essay By Virginia Woolf Is Now On Our Website And You Can Download It By Register What Are You Waiting For Please Read And Make A Refission For You There s no doubt in my mind that I have found out how to begin at 40 to say something in my own voice that interests me so that I feel I can go ahead without praise 26 July 1922 Finally I finished reading Volume II 1920 24, there are a few points I would like to discuss in the meantime First, from her entry on Thursday 16 February 1922 Such nonsense putting

old Ribblesdale Horner on Boards Ly.R was an Astor refused to let a penny of hers be invested Your friend Miss Shreiner has gone to Bangkok p 165 The reason is that when I sometime read some old journals on Siam recorded by foreign visitors, they wrote this misspelt word Bangkok instead of Bangkok possibly, they did from what they heard, phonetically, they could hear our two syllable capital s name Bang kok as Ban kok Therefore, the name Bangkok has been taken for granted, that is, presumably correct since 92 years ago like this one by Virginia Woolf. Second, we can find and enjoy reading her masterly, inspiring sentences for instance This is the last evening, L is packing, I m not in the mood for writing, but feel superstitiously that I should like to read something actually written in Cornwall p 105 I repeated my phrase He s parched with vanity He will be very successful said Eliot p 124 Writing is an agony, we both agreed Yet we live by it We attach ourselves to the breath of life by our pens p 135 etc. ENDNOTE I came across this 5 volume book set in a second hand bookstore in Brisbane on November 1, 2002 after my visit to Dr Walpola, a lady doctor as appointed at a hospital at Woolloomgabby a bit far away from the Lodge I was staying in Indooroopilly I had to go there by bus from the Lodge to the City, then to the hospital quite convenient but a bit costly since the doctors in a BKK hospital wanted to make sure my health was all right and thus able to proceed with my ongoing part time PhD candidature at GSE UQ there. I bought the set with its reasonable price and carried the set in a bag with me when I met my supervisor, Dr Merylyn Goos, as appointed as well in the afternoon that day. I used to see this set many years ago during my college years in an Asia Books store in BKK I didn t have any interest or wanted to read her diary published as a brand new set of Penguin paperbacks like that I recall I picked a book or two from the set to read briefly and thought the set was not necessary for me then I had never heard or read her Just imagine, finally, fate destiny dictated me to find the set by chance one late morning in Brisbane City, Queensland in Australia as if it patiently kept waiting for me till I arrived at the bookstore and at last found the set perch happily there for me.
