A series of connected stories taking place just before Christmas The first two stories were nice, but the last story left a bad taste in my mouth Not as good as some of Willingham s other works Very quick read though.In the Bleak Midwinter It was a story about two grieving widows finding solace with one another It went at lightning speed but the emotions felt real A solid way to spend an hour Not much in the way of holidays so could be read at any time as the weather gets cooler 3 stars.The Holly and the Ivy today It was the story about a woman who has remained unmarried due to her father s intimidation of her suitors, and the haunted, blind man who finally has the guts to fight for her While I felt like there were deep wounds that may not quite have been resolved, I like this story very much This was by far my favorite of the anthology 4 stars.A Season to Forgive In my opinion, the weakest of the series Adriana sacrificed much in order to save the life of her betrothed and when her secret is revealed, she is the one begging for forgiveness Perhaps this is historically accurate, but dang, it rankled This was a very selfish hero who only thought of himself and his comfort he didn t want the responsibility of being king and he was mad at Adriana for her choice ugh It ruined the story for me This was the first time in a while that I actually wanted to throw my kindle across the room 1.5 stars.

This review is for The Holly and the Viking Ok so I generally don t read anything where the setting isn t in modern times, but this was a free book I was asked to rate and since it was a novella, I figured whats a few hours of my time while I wait for a few new releases OMG I LOVED IT D D D I didn t really have any expectations going into this but boy was I excited to realize that I was totally digging this story I didn t want to put it down Kaall is a blind viking warrior who has had a pretty tough time of it trying to prove to his tribe and family as well as himself that just because he can t see, doesn t mean he can t take care himself and protect whats his Rhiannon is the neighboring tribe king s beloved unspoiled daughter who gets lost in a snow storm and takes shelter with Kaall Low and behold the two are meant to be D Their journey to be together has many obstacles but when its true love, they will do what it takes Sigh I really enjoyed this and will be reading the others in this anthology D

As tr s hist rias que fazem parte de Guerreiros do Gelo foram timas, mas eu tive um fraco pela segunda, que

achei simplesmente maravilhosa As narrativas s o interligadas, girando em torno do casamento de Liam e Adriana, e ocorrem de forma paralela uma outra Voc precisa ler na sequ ncia para fazer sentido, pois onde uma termina a outra come a, com as tr s tramas formando na verdade uma s.No primeiro texto, Inverno Sombrio, Brianna uma vi va que vive para vingar o marido morto em um ataque dos vikings Seu marido era um trabalhador, e n o um guerreiro, que morreu com um ferimento causado por uma lan a Ela praticamente n o viveu mais depois disso, somente sobrevive e carrega muito dio contra os seus inimigos Com a chegada de Arturo, irm o da noiva de seu primo, que veio para o casamento, ele passa a se interessar por Brianna, uma vi va como ele, e come a a cortej la S que ela n o corresponde, e resiste bravamente quele espanhol bonito de boca doceKaall o viking de A Sagrada e o Maldito Ele foi renegado por sua fam lia, teve sua filha retirada de sua guarda e resolveu viver longe de sua tribo Numa noite, em meio a uma nevasca, ele encontra Rhiannon, que est perdida, e a defende do ataque de um lobo Kaall fica ferido e Rhiannon retribui a ajuda e se apaixona S tem um problema Kaall cego e o pai de Rhiannon nunca iria concordar com o seu casamento, pois um homem cego n o pode defender sua fam lia, e por isso n o seria aceito dentro da tribo Kaall um her i relutante, ele tem suas defici ncias e cansou de lutar para ser aceito, teve tudo tirado dele, sua filha, sua vis o, sua tribo, mas n o abre m o da sua independ ncia e vai fazer de tudo para conquistar o amor de sua mulher, nem que para isso tenha de enfrentar os inimigos e expiar a sua culpaA terceira, Tempo de Perd o, trata do casamento de Liam e Adriana, fato que motivou as duas primeiras hist rias Eles se conheceram e apaixonaram na Terra Santa, durante as Cruzadas Liam era um dos comandantes do Rei Ricardo, e por desobedecer ao soberano foi condenado tortura e morte Adriana achou um jeito de salvar a vida do amado, mas para isso teve uma fazer uma troca com

In The Bleak MidwinterBrianna has been unable to move past her grief over her husband s death and is planning to avenge him When Arturo, who is part of the group escorting his sister and Liam home, arrives he is immediately drawn to her Having lost his wife he understands her pain and wants to help her through it Brianna has a tremendous amount of guilt to overcome as she falls for him Arturo is wonderfully patient as he tries to show Brianna the happiness that could be hers.The Holly and the VikingRhiannon really wants to find a love of her own, but her father is extremely overprotective When she gets lost in a snowstorm she is rescued by Kaall She is immediately attracted to him, but there are obstacles to her happiness he is blind and is also the warrior responsible for Brianna s husband s

death For all of his blindness he has an inner strength that is just what Rhiannon needs And Rhiannon is able to see the caring man under the surface of the warrior and is able to help him cope with his blindness A Season to Forgive Adrianna and Liam are very much in love Since leaving the Holy Land to return to Ireland Liam has sensed that there is something bothering her She has terrible nightmares and he sees pain in her eyes whenever he touches her Liam is also feeling guilt over the loss of his men in battle and doubts that he can take his father s place as king when the time comes When the secret comes out Liam has to decide if he can understand and forgive I loved the help that Adrianna got from the other wives in this one as they showed her how to deal with a MacEgan man.All three stories were closely related They took place during the same period with overlapping events I enjoyed the glimpses of their holiday traditions and their way of life I also liked the strength of the women who could hold their own without losing their identities as women The men are the perfect blending of strong and sensitive.

Spend Christmas with your favourite warriors the MacEgans Three tales of warriors, Vikings and passion In the Bleak Midwinter It s a year since Brianna MacEgan s husband was killed, and she remains coldly obsessed with avenging his death But Arturo de Manzano is intent on distracting her with his muscled fighter s body and the ice around her heart is soon in danger of meltingThe Holly and the Viking Lost in a snowstorm, Rhiannon MacEgan is rescued by a fierce Viking Her lonely soul

instantly finds its mate in Kaall, but can they ever be together For not only is Kaall blind, he s also her beloved cousin s most hated enemyA Season to Forgive Adriana de Manzano is betrothed to Liam MacEgan, a man she absolutely adores But she s hiding a terrible secret To save Liam s life in the Holy Land she was forced to betray him If she tells this proud warrior the truth, can he ever forgive her I, especially, liked the story of Kaall Hrdrata and Rhiannon MacEgan With his blindness, Kaall is an unlikely hero, which makes the reader cheer for him even Well written stories

As a trilogy 3.33First story 4 stars Second story 3 stars although entertaining, I did not think it entirely credible Third story 2 stars poor I found MacEgan s attitude to Adrianna a little wanting after all she had done for him When realising the situation, I would have expected him to be understanding Average rating between stories 3.3 stars

Three Viking storiesThe three stories all involve one family I enjoyed them all but the last story is probably the best Adriana gave her virginity to save Liam Now about to wed him she knows the truth must come out Liam has

a very realistic and stupid response.

Warriors in Winter Three Stories They take place as Liam MacEgan returns home with his bride to be, Adriana de Manzano Liam and Adriana meet in the short story by Michelle called Lionheart s Bride first published March 28th 2011 In my review of Lionheart s Bride I wrote, I would love to see what happens with Adriana, and the highlander prince Liam Well this book is the continuation of their story and how it touches the lives of two other couples These stories are separate but each one gives us a peek into their lives as they come together during the winter solstice celebration and the five days leading to Christmas In the Bleak Midwinter Brianna MacEgan widow of Murtagh who was killed by a Lochlannach warrior and Arturo de Manzano meet as he rides into Laochre Castle fortress From that point on her fragile beauty and air of sadness speak to Arturo He pursues her and as he learns Brianna s story he becomes enchanted with her Will Arturo be able to break through her sadness and anger and turn her year long morning period into dreams of the future If I were to give each story a star to represent my favorite to least favorite 1 3, I would give this one a 3 Not because of the writing or the story itself But because I knew I would be forced to deal with someone going through a great loss I have my reasons for not wanting to go there Before you know it you are invested in this persons life You feel the experiences she describes as though you are there Brianna is so caught up in her own misery she might not see Arturo for the godsend that he is I wanted to smack

her, saying Snap out of it Brianna has good reason to be sad but not angry I know sometimes sadness and anger run hand in hand However, this is the beauty of Ms Willingham s writing You may experience than you bargain for. The Holly and The Viking Kaal Hardrata is blind and involved in an accident that causes the death of another As a result of that accident the child of his first love is taken away from him He is a bitter man and trying hard to survive and be reunited with her Enter Rhiannon MacEgan, the cousin of Liam daughter of Connor MacEgan The Warriors Touch She is young and longing to have a mate but her father is fiercely protective They meet when she becomes disoriented in a snowstorm and takes shelter in a cave a cave that Kaal calls home This is a special romance We see the world through a blind mans senses and how he overcomes tragedy with the help of one very special female. A Season To Forgive Adriana de Manzano and Liam MacEgan the reason I wanted so badly to read this book I was not disappointed Events occurred in Lionheart s Bride that I always wondered about The rest of the story is told here Adriana is haunted by dreams of the past She wakes nightly from nightmares so horrible she can t bury them deep enough This should be a time of celebration Liam is a wonderful giving and caring man However the past is going to have to be dealt with but Adriana is unsure if Liam will be able to understand and forgive Warriors in Winter is a nicely arranged book, the three stories come together with a nice climax and they all stand well on their own I enjoyed how all these lives entwine All the characters are strong with their own personalities The women aren t too soft but strong and feminine enough to be endearing The men, well, lets just say they don t make them now like they did then, grins wickedly I would love to see books like this by other authors that write series Great job Michelle.
