Best one yet This one has got to be the best one so far It tells a story rather than just about boy meets girl, boy has sex with girl over and over And the story is fantastic It s a great continuation from the last books but, introduces new characters with new agendas I highly recommend this series If you are a fan of J.R Ward, this is right up your alley Have fun In Darkness Awakened, the first book of The Order of the Blade, we were introduced to a group of immortal warriors, known as the Calycons, cursed with a dark side Each Warrior is destined to meet his soul mate, so drawn to her, that he is unable to resist bonding with her..but the lover s destiny is to destroy each other and everything they care about, the moment the bond is complete.In Darkness Reborn, we finally get to read Kane s story The mysterious warrior with Talismans carved all over his body and no memory of who he is Kane is searching for his past and he has found his answers with Sarah, his soul mate But Sarah has her own secrets and wounded history These two tortured souls must learn to trust each other before they destroy themselves and the rest of the world.The connection between Kane and Sarah is instant and strong The scenes between these two were extremely passionate and fiery Take a deep breath before you start reading, because I found myself actually holding my breath several times throughout the story Stephanie takes us for a emotional ride from the first page till the very end It s was a roller coaster ride of emotions, action and non stop adventure There were a few times I even caught myself yelling at the pages And I loved that there was just a

touch of humor to help ease the high volume of tension that was bouncing from the pages Darkness Reborn is an absolute AMAZING read Some days, I feel like the odd man out that reader that must be impossible to please Because everyone else seems to have liked this book Everyone but me I enjoyed the first couple of installments in this series, but the last one was a real miss for me A good friend assured me, though, that the series gets better I won't say that she lied, but I will say this is clearly a matter of perspective. Much like the last book, I was excited about the premise Kane has been a dark and brooding mystery since day one He is heavily scarred and doesn't remember anything about his life before he joined the Order I love tortured heroes, especially when I get to see their salvation through love Unfortunately, how it was executed was neither something a path I expected or enjoyed. Our heroine is Sarah She has lived her entire life in fear of the Calydon warriors who are determined to kill her Her very own brother is on the verge of succeeding once and for all when Kane hears her mental cry for help He saves her life and takes her under his protection She soothes him For the first time he can remember, he is feeling something other than the blackness that has been threatening his soul Sarah is a being of light She gives him peace where he had none before And he vows he will repay that with gift by assuring her safety And having wild sex with her. Sarah is afraid to trust Kane She has been burned before by a man she loved This is not the first time she has been someone's sheva So the book follows her internal struggle as part of her wants to give herself over to Kane and the other, fears she will fall victim to the same violence that nearly destroyed her years ago. I had a few problems The first is that the emotional responses from both Kane and Sarah are totally over the top It reminded me a little of the Christine Feehan Carpathian books, where everything is just so big and poetic All of emotions are soul deep The heroine isn't just Kane's mate, but all that is goodness and light Kane isn't just conflicted, he is eroded by darkness And again, the crazy need filled sex bridges the gap This made me roll my eyes As did Ryland's steadfast devotion Sarah and her special status But this wasn't what I disliked most. The big mystery here is the question of who Kane was before he joined the Order Sarah has her suspicions that play out over the course of the book It

was the answer that left me put off view spoiler They made our hero a bad guy Not now, of course, but he killed his wife and child He was the scourge of the village Who wants a hero like that Especially when you pair him with a woman whose last husband tried to do the very same thing It s hard to empathize with that, much less root for an HEA hide spoiler Darkness RebornI have loved every single book in this series, but all for different reasons Yet with Darkness Reborn, Stephanie Rowe has truly out done herself She s managed to create a unique read with the fifth book in her Order of the Blade Series, whilst managing to retain a familiar style, pattern and the wonderful characters that I have grown to love.In Darkness Reborn, we follow the many trials and tribulations of the mysterious Kane and the beautiful Sarah My emotions were constantly in turmoil as I was successfully sucked into Kane and Sarah s world Stephanie very effectively developed two amazing characters that were impossible not to fall in love with I cheered, celebrated, gasped and was held in a collection of horror states as the story unfolded For a paranormal romance, in a world of fantasy, Stephanie Rowe certainly knows how to create a world so realistic, and so believable that it was impossible not get caught up in the unfolding drama.Darkness Reborn is a remarkable story of love, loss and self discovery Perfect Stephanie Rowe manages yet another great hit She always manages to write with such passion that it flows off of the pages and straight into her readers If you like action packed paranormal romance and you haven t read this series yet, I have to highly recommend that you do All the stories in this series have been very intense but this one is the most intense so far Kane and Sarah are put to test after test and have to discover if they each have what it takes to overcome all their obstacles Very action packed, very emotional ride that will leave you trying to catch your breath for a long time after you have finished WOW I knew going into this book that Kane had some crazy stuff happen to him in his past I also knew he was pretty messed up from all that stuff What I didn t know was just how seriously messed up both him his past were What a roller coaster ride I was on while reading this book Sarah is a very interesting female character and through her story we find out about Kane, and get some hints into things that might come in the future books I just love the little hints or teasers if you will

that Stephanie litters her books with They always make me crazy anxious waiting for the upcoming releases I was also surprised that even though this was Kane s story and he was the main focus, I found myself becoming a major Thano fan I am kind of glad that I read this in ebook format because I am afraid I might have ripped the pages in a print book trying to get to the next page Stephanie Rowe has definitely become a MUST read author for me and I highly recommend the Order of the Blade series to everyone. Stephanie Rowe adds another awesome chapter to the story of the Order of the Blade and this one is a dark and painful journey into the past of Kane Santiago I loved this book for the change of pace and the unexpected surprises along the wayif you love paranormal romance, this if for you Hot, sexy men and they all have awesome personalities that keep you coming back for Stephanie Rowe out did herself this time Kane s book is just amazing I love the banter between the characters and how emotionally involved I was Just loved it I am issuing a warning along with my review for Darkness Reborn, When you sit down to read the first page, be prepared to keep reading until you reach the end There are no rest stops on this mad dash through mystery and myth Full review Talismans Carved On His Body A Lethal Darkness Amassing Inside Him A Woman Who Calls To His Spirit On Levels So Intimate And So Passionate That His Deadened Soul Screams In Agony Calydon Warrior Kane Santiago Has A Past He Can T Remember, And A Deadly Legacy Closing In On Him His Only Chance Is Sarah Burns, A Sensual, Courageous Woman Fighting To Save Herself And Her Family From An Ancient, Brutal Evil Sarah Is On The Verge Of Losing Everything, But She Can T Afford To Trust Kane, Who Is Either The Key To Her Final Destructionor Her Only Chance Of Survival Bound Together By A Connection So Deep That It Has The Power To Bring The Past And All Its Nightmares Back To Life, Kane And Sarah Must Tap Into The Hearts They Closed Down So Long Ago Or Lose Everything, Including Their Souls
