Still Good After All These Years This book fills my heart with so much joy I first read it in 2007 and 11 years later it still speaks to me in different ways What a reminder as to what true love is really all about love of God, family, friends, and love of self

plot summary what happens, when where, central characters, major conflicts return dana has been a bridesmaid 10 times, and at this latest wedding she doesn't duck fast enough when the bouquet comes zinging her way sporting a scratch from the thorns, she just wants to go home to her pint of chunky monkey ice cream when she runs into her ex boyfriend dana keeps experiencing one misfortune after another in this book,

of Good and Evil

The Man Without Qualities

The Elephant Tree

The Earth, My Butt, and Other Big Round Things

Cloudy With a Chance of Meatballs

Where the Wild Things Are

One Hundred Years of Solitude

John Dies at the End

Me Talk Pretty One Day

One Flew Over the Cuckoo's Nest

Stop Dressing Your Six-Year-Old Like a Skank: A Slightly Tarnished Southern Belle's Words of Wisdom

but she also keeps trying to live the way god would want her too so when a client wants to hire her to be in her wedding, and gives her a 29 page handbook of instructions, she just smiles graciously and says sure ok, she really needed the cash as well but eventually dana needs to learn that god also wants her to take care of herself a lesson that won t come easy and that will take the help of her girlfriends, family, and even that ex boyfriend return return return style characteristics pacing, clarity, structure, narrative devices, etc return packed with humor, although the author doesn t always make the best word choices the situations are exaggerated and not very realistic, but that is part of what makes it so humorous and fun dana tells the story throughout, with a typical modern tone and with a voice that reflects her african american culture return return return how good is it return a fun read, for laughing out loud when you need a fun escape from reality yet with a subtle lesson about life thrown in.

I didn t like this book at ALL I thought the message was good however I believe the characters were underdeveloped I felt like the story was missing several pieces The funny thing is I ve had this book for several years and could never get past page one and now I know why the book was HORRIBLE As for the message, I was touched but I coulda went to church and got the message Sorry but this book was not for me.

I couldn't even get thru the first chapter. It was slow and very difficult to read. I found myself having to go back and reread paragraphs, because I felt like I had missed something I didn't know when the author shifted between the past and the present. I tried to give it a second chance and get thru chapter one, but it just didn't make the cut.
