Freedom A great story of getting out of a funk and living again When she is dumped by her boyfriend, she feels numb Wanting to feel again she signs up for a skydive Watch as she gets back in touch with her feelings and snags a new man into the bargain Obviously the writer has done some jumps as this comes across in the way you relive it through the writing.

Synopsis Chocolatier, Lucy Simkins, has been dumped by her dithering boyfriend, Phil She needs to blast him out of her system She needs to feel alive She decides to go skydiving.

Joshua Snow is one of the most experienced tandem instructors at the dropzone, with a smile that can charm the birds from the trees Confident, charismatic, even a little cocky, he soon finds himself on the back foot He finds his little tandem student somewhat disarming. There s an instant attraction between Joshua and Lucy, an attraction that hasn t gone unnoticed by his peers A distracted student is one thing they re all used to that But a distracted instructor That s a whole different story.

Parachutes and Peppermints is the first part in the Sadie Mills Freefall Trilogy, a fast paced series of novellas, each set within the space of a single day In this romantic comedy Sadie Mills grabs the unsuspecting reader by the handholds, drags them to the door, and pulls them out of the plane with her, giving a glimpse of a world full of adrenaline not to mention insanelly hot men rarely explored in literature.

My review I enjoyed this story The only thing bothering me is that it is in a series I have never been a big fan of series, because by the time the next book arrives you have forgotten the plot Well,

to each his own I suppose. Very short story, but yet you have a good insight of the characters Very entertaining, good characters and the way the author describes the skydiving experience, its just like being there doing it yourself I liked it very much and I am looking forward to reading the sequel Chocolateer, Lucy Simkins, Has Been Unceremoniously Dumped By Her Dithering Boyfriend, Phil She S Left Feeling Achingly Numb She Needs To Blast Him Out Of Her System She Decides To Go Skydiving Joshua Snow Is One Of The Most Experienced Instructors At The Dropzone, With A Smile That Can Charm The Birds From The Trees When His Shy Little Tandem Student Starts Talking About BASE Jumping And Wingsuits, Pushing Him To Teach Her How To Fly, He Suddenly Finds Himself On The Back Foot There S An Instant Attraction Between Joshua And Lucy, An Attraction That Hasn T Gone Unnoticed By His Peers A Distracted Student Is One Thing They Re All Used To That But A Distracted Instructor That S A Whole Different Story
