Ultimately, this was a quick, enjoyable set of stories set in the world where Madame Eve and 1Night Stand can match up unlikely partners to set them on the road to happily ever after These stories tend to be bite sized, sexy and leave you believing the characters have found something special after their one magical night.I can totally get on board with a mystical dating agency, but I did have to suspend my disbelief at the sheer amount of virginity presented here I probably should have been clued in from the title and the titles of the stories , but I m a little slow sometimes NO WORRIES, THOUGH I managed to not only wrassle my disbelief down, but enjoy the ride while doing so.Honestly, all the stories are enjoyable Nicely naughty with a hint of sweet I really enjoyed Virgin Under Ground just because DESERTED GOLD MINE TURNED INTO AN AWESOME UNDERGROUND BUNKER It s like my inner fangirl the one who swoons over post apocalyptic settings and broken worlds was given the set up to something HUGE and catastrophic that I can feel than see swoons Yep, inner fangirl has green lighted reading books like that IMMEDIATELY.Lots of virgins, lots of lovin , and the potential for happiness for all involved I liked it Kelly Reading the Paranormal

ThemeThe first two are excellent but the third ruined the glow I could feel the close confines closing round me Having been a bunker made me aware of walls closing in It also did not help to share the space O need and two were open and with natural light and I could relate and enjoy greatly.
