O..M..G I knew from reading the synopsis on this book it

was going to be a tearjerker but that still in no way prepared me for what I was about to read I finished this book a few days ago and I am just now sitting down to write my review because I still have so many emotions running wild thru my head I can definitely without a doubt at this moment say, this is my top 2014 book so far I will recommend this book to everyone Even as sad as it is, the events that take place are so real that it just hits home Never take life for granted. This story revolves around Lysie, Lincoln and Dax Lysie and Lincoln have the perfect life and marriage Dax has been Lincoln s best friend since they were small boys and over the last few years the 3 have formed a special bond When tragedy strikes and Lysie s world is left in shambles will Dax be able to pick up the pieces and help Lysie heal Will Lysie ever be able to spread her wings and fly again I LOVED Dax From the start of the book he had my heart Don t get me wrong, I loved Lincoln as well but I knew going in how things were going to end with him so I tried to keep my heart guarded Dax was so sweet and caring when it came to Lysie No matter how hard she tried to hook him up and find him a date it never worked because no one could compare to that special girl who already had his heart He never imagined things would go the way they did but he saw it as a sign they were meant to be when they did But now you know that I will always be yours..always have been I love you, I whisper, pressing my nose to her forehead I love you than I ve ever loved anyone or anything in my entire life You own me, Lysie I ve never even had a choice I could go on and on about this book but I don t want to give anything away All I can say is please go one click it now, yes, your heart will break but you will also smile and be happy at the end You will NOT regret one clicking this book There are a few characters in this book I am still curious on so I am hoping that maybe in the future they will get a story of their own I need to know about Echo and Dustin How about Peterson Gahhhh, I love you and your books Mrs

?Reading? 🐣 Broken Wings Author Erika Ashby – Soccerjerseys-wholesale.co

ARC received in exchange for honest review Emotion That is the one word I keep coming back to when I think about Broken Wings This latest book by the wonderful Erika Ashby is so filled with emotion that I'm left with all kinds of feelings long after having finished it There is a sadness that stayed with me throughout most of the story and is still in my heart but at the same time there is joy and hopefulness and somehow it all fits together perfectly Lysie and Lincoln are living a dream Lincoln is a military pilot doing what he loves, and Lysie is living the Army life she's always known and loved The love they feel for each other bursts through the pages and makes you smile right along with them Dax Adams, Lincoln's best friend since high school and now his co pilot, is also a huge part of their life Lysie wants nothing than to see him settle down with the right girl, but Dax does not make this easy In fact he knows deep down he may never have his one chance at true love and happiness, he's been hurt before long ago The story that follows is one of love, happiness, excitement, tragedy, and ultimately triumph What did I love about this book It all comes back to the emotional elements of this story The feelings invoked while reading are so strong I felt like I was right beside Lysie every step of the way, through the good and the bad I cried A LOT Get your tissues ready And even when I had to pause my reading which was not easy to do to go about my day, I found myself still thinking about the characters and what they were all going through I went to sleep wondering what I would do in their place Would I be

as strong as they are To me this is a sign of a very well written book I read every day, and there is nothing I enjoy than when an author s characters stay with me beyond the pages And because Erika Ashby knows her readers expect a military book to have some hotness, she doesn t let us down It is there, yet is definitely not the focus of the story I will say that when there is sex it is hot, it is passionate and it fits the story perfectly Broken Wings is absolutely by far Erika Ashby s best work to date I ve been a fan and known her for a while now, and this book is like nothing she s ever written She has gone above and beyond with this story, and I am truly proud of her accomplishment She captured the emotional elements of the story perfectly and really makes the reader feel for these characters She is also quite knowledgeable about Army life and it shows in her attention to detail and accuracy As a reader you can see her passion for this story shining through as you read Erika has grown as a writer and her hard work and dedication to doing what she loves has paid off Broken Wings is on the longer side, so be sure you have the time to devote to it At times I did find myself wondering if it could have been slightly shorter But in truth I think this is how the story needed to be told and it works Believe me you will not want to put it down once you start reading I am in love with this story and want to thank Erika Ashby for bringing it to life The many tears I shed were completely 100% worth it.

Book Broken Wings Author Erika Ashby Publication Date March 6, 2014 Type Stand Alone Genre Romance Rating 4

out of 5 Stars Complimentary copy kindly provided by author Blog Tour in exchange for an honest review. Review I found the beginning of this story very long and I believe it over stressed the love which was shared between Lynsie and Lincoln As soon as the life changing event happens though, that is when the story really picks up and I found myself mesmerized into what was going to happen next. Lincoln and Lynsie have the best relationship a married couple could have except for the fact that his job puts him in danger than Lynsie wants to deal with Lynsie wants to settle down and start a family but Lincoln continues to put her off, putting his career first Once Lincoln finds out a friend of his from flight training dies in an accident, he agrees with Lynsie that it s time to start trying to have a baby. Lynsie in the mean time continues to try and play matchmaker for Dax, who is Lincoln s best friend since childhood Dax continues to dodge the bullet with being set up because his eyes are for only one lady who he can t have. It isn t until a tragic accident during a flight show, that Lynsie s life dramatically changes for the worst She is left alone with her family and Dax by her side Dax refuses to give up on Lynsie and steps in to help her through all the tough times to come It is through his dedication and loyalty to Lynsie that the friendship starts to turn into . This is a beautiful love story stemming from a journey through depression, sadness and lose. Wrap Up I choked up a few times and felt the pain Lynsie was going through all in all this was a great book once you got past the long beginning For reviews, Free E books and Giveaways

?Reading? 📖 Broken Wings Author Erika Ashby – Soccerjerseys-wholesale.co

Broken Wings was an incredible read I knew the basic plot line of this story, but it still didn't make me feel anything less than if I hadn't known anything This story happens over the course of a year It's based about Lysie She's happily in love with her pilot husband, Lincoln Their love truly shines off the pages They are amazing together And he treats her soooo well They truly have a great marriage.Dax is Lincoln's best friend, who is also a pilot in the Army He is swoon worthy dreamy No matter how many times Lysie tries to set him up with girls, it never works out Lysie starts to think that maybe she's just not as good as setting people up as she thought.However, that's not the reason Dax isn't interested in those other girls He's interested in someone else Someone he can't have.You will cry, you will laugh, and you will smile reading this book Erika has a great way setting up each scene You can literally see the scene unfolding as if it's happening right before you I cried so hard at parts I kept wishing things would get better for Lysie But she had a right to feel how she did Her actions and motives were acceptable for what she'd been through You just keep hoping she gets her happily ever after She deserves it than anyone.You won't be disappointed in Broken Wings It's truly an amazing read 5 Stars I was gifted a copy to read and review

Meh The first part of this book is all about Lysie and her marriage with Lincoln They are SO in love and it's nice And then things get cliché Lincoln dies in a horrible, tragic

plane accident while doing some Army stunts on July 4th in a plane known as the Widow Maker And the reader watches as Lysie crumbles under the intense weight of her loss Lysie is left widowed and with child She and Lincoln were trying to have a baby prior to the accident Lincoln s last words are recorded saying that he loves Lysie and for Dax to look after his woman The reader learns that Dax has loved Lysie even while Lincoln lived I guess I could see that happening in real life someone falling in love with someone else s spouse. But then Lincoln dies and Lysie and Dax are drawn together because they share this deep and overwhelming grief One lost a husband, the other a best friend Lysie and Dax get together in the end I m not sure if I m okay with that They both struggle with their feelings They both grieve They both know they need to move on I get that But it seems all too convenient that they end up together by the end of the book It s a happy ending and everyone knows I love a happy ending But this one left me questioning how no one seems to find any of this a bit awkward.

I m gutted this didn t work for me The author makes a light joke mentioning the resemblance to the film Pearl Harbour I love that film this just failed on all emotional levels it s beyond unrealistic I know it s fiction, I do get that But if you ve just lost your husband, your soul mate, the one you would die for would you really be spending the night in another man s arms his best friend no less on the night of his death, even just for comfort No Me neither.

?Reading? 📖 Broken Wings Author Erika Ashby – Soccerjerseys-wholesale.co

First I want to start off by saying I have always been in Erika's corner cheering her on to follow her dream of writing and I have enjoyed reading all her books but this one is so much different. I am so very proud of her for taking the chance on a military romance and nailing it. She has shown so much growth in her writing and I was blown away by Broken Wings. Although I can't go into great detail about the story without giving it away, I can

tell you that Broken Wings was absolutely beautiful The storyline was very near and dear to my heart and Erika wrote it and you could tell she put her heart and soul into every detail Going the extra mile to actually stat facts in the story made it real and I was excited that she did that I love you than I ve ever loved anyone or anything in my entire life You own me, Lysie I ve never even had a choice Lysie is a strong woman who lives through a tragedy that most of us haven t experienced and she responded to that tragedy the best way she knew how Everyone reacts to tragedy differently and my heart broke for Lysie and I found myself wanting to comfort her and assure her that everything in time would get better Lincoln absolutely adored Lysie and Erika did a wonderful job showing us that He would walk on fire for her and she was the love of his life Anything and everything that she wanted, he wanted to give her If he could give her the moon it would He was brave and determined to follow his passion and truly believed in everything he did Love you to the sky and back, Lysie Pearl I purse my lips You know, technically, the sky isn t that far away Are you questioning the depth of my love He grins at me Who s to say how far the sky really is No matter how many times you traveled it back and forth, there d be no way to cover every single inch of it There is so much blue up there, it puts the moon to shame He stares out the window, eyes lifted toward the sky with a grin spread across his face Fine, I let out an exaggerated sigh Since you put it like that I lean across the console, placing my lips against his I love you to the sky and back too, Lincoln Shane Dax stole my heart from the very beginning There was a twinkle in his eye for Lysie from the very beginning He was a loyal friend to Lincoln and in turn a loyal friend to Lysie Although he had a tough exterior he was sweet and kind and would always follow through on his promises no matter what they were When tragedy strikes Lysie, Lincoln, and Dax, he finds himself in a position to do what he was asked to do and he

wouldn't let anything stop him from keeping his promise
Thank you, she says, squeezing our joined hands
For what I rub my thumb along the top of her hand
For just being you
She yawns I'll be whatever you need, Lysie, I
tell her, just above a whisper as she starts to finally doze
off and I feel close behind her. There was a great shock
that left Lysie almost paralyzed with fear
Fear of failing, fear of not being enough but with her loved ones by her
side she would make it through those fears and stop at
nothing but to be the best she could be
Nothing beautiful than a blue sky
Can Lysie learn to fly again after being
completely shattered by events in her life
Will Dax keep his promise and protect the one he loves
Will Lincoln give Lysie the one thing that she has desperately wanted for
a long time and after the horrific tragedy can Lysie learn
to mend her Broken Wings and learn to fly again

ARC provided by the author in exchange for my honest
review. Epic That was the word that entered my head the
minute I had finished this unputdownable book I am over
the moon that Ms Ashby was persuaded to do a military
story and with that she has created an absolutely
beautiful and heart wrenching tale that deservedly is a
five star ten stars read for me. Lysie Fox is the woman
who has everything but then tragedy strikes leaving her
with nothing, or is there hope she has been given a
second chance by fate or had fate already driven the path
she was unknowingly on Oh WOW where to start OK
Lincoln Fox is a hot military man with all that that entails
big swoon and to top that he is a pilot In the army Even

bigger swoons But even than that he loves his wife, his
Lynsie Pearl In the first part of the book we delve into the
lives and love of Lynsie and Lincoln and their hopes for
the future To further encompass this perfect world is Dax,
Lincoln s best friend since forever and now also the best
friend of his wife.Lynsie is such a wonderfully strong
woman, even in the depth of the deepest anguish she
should ever know she fights it head on, knowing she has
to come through this However at first she cuts off
everyone she knows, as is her coping mechanism, but
one person she cannot cope without is Dax Only Dax
could really understand what she is feeling and she leans
on him as her anchor in a storm In doing so she doesn t
realise that she is also helping Dax to live through the
most distraught time of his life.I was drawn to Dax from
the first page, he was so heartbreakingly gorgeous with
his scruffy but sexy blonde hair He was devoted to his
best friend and wife, hiding his own deepest feelings and
always putting others first before himself Such a
wonderful and selfless man How could anyone not fall in
love with this character A man with a kiss in his name is
one I shall forever hold dear.I can t really divulge too
much about the storyline as it really does need to be
experienced every glorious step by step and turn of the
page It had me in floods of tears in parts and then later in
sighs of bliss in others It was hauntingly enthralling that
all I could do was read, nothing else could drag me away
from reading this.It was so beautifully written and yes
there were parts I did not want to turn the page as I knew
it was going to break my heart but the way it evolved from
the pages just tempted me further in It opened my eyes
to the dangers our military personnel not only come up
against in war but also on home shores undertaking
routine training and skills.Throughout the read there were
various songs that came into my head and yes Wings
Beneath My Wings was one of them There was also John
Legend s All of Me and Westlife s Flying Without Wings
which made the tears flow faster I can tell you It was such

an amazing and emotional read and by far the best I have read by Ms Ashby and that takes some beating It resonated deep in my heart that even after I had finished reading it I felt the loss even weeks later I really can not recommend this book enough For one who loves military romance this just hit all my expectations and needs Beautifully done Further details can be found at Foxylutely Book Reviews blog <http://foxylutely.blogspot.com> 2014 0
