

# [PDF / Epub] ? Reform of the Playboy Mary Lyons – Soccerjerseys-wholesale.co

Posted on 19 September 2019 By Mary Lyons

Just passable really Another one of those typical romances where the hero , of the story, and I use that term very loosely, starts out as anything but heroic In fact he s an arrogant dickhead to put it bluntly But of course the girl practically swoons each time he puts his hands on her and can t help making an absolute fool of herself in the process I live in hope that she ll realise what a complete loser he is and come to her senses and find another lovely man who actually has some manners But sadly my hopes are not fulfilled and once again she ends up falling for him and he suddenly becomes moderately pleasant and of course fantastic in bed Then he sees her out with someone else and immediately jumps to the wrong conclusion and becomes, predictably, his original idiot self Then there s the little matter of her mother I mean really, do mothers like that actually exist any Could she be any of a prat Her horror when her daughter explains why she broke up with boring George is beyond belief, and she almost has a fit of the vapours as you can see I ve read many a romance in my time when Harriet tells her that george has as much passion as a dead fish Honestly , how many women act like that these days I d venture to say ohNONE My daughter is 30 and we talk about anything and everything to each other and I do mean EVERYTHING In fact we often have a laugh about it when we realise what it is that Mother and daughter are discussing But for heavens sake two adult women should be able to discuss anything especially Mother and daughter, so that character didn t ring true for me I m almost finished the book now and I can almost guarantee that they ll have a confrontation, he ll

apologise hopefully for being such an unmitigated fool after she tells him he has no right to question her after having had one of his bimbos in his flat all week, and he assures her that it was nothing and he has given the other girl her marching orders already and he couldn't do it beforehand as he had to dash off out of town suddenly and didn't have time to deal with the fallout before he left. Do I have it pretty close? Needless to say he'll end up being the most wonderful thing on two legs and they'll marry and live happily ever after. Same old same old. I do find myself wishing that just once the creep would find himself dumped, the gorgeous gay guy would turn out NOT to be gay and he and the heroine would fall madly in love with one another and that this would happen a little closer to the beginning of the book. I'd like to see the arrogant prat get his comeuppance for once. The book was remarkably good for such a short novel. I was surprised by it. For once I was left satisfied by a small book. This book absolutely should not have worked on me. Finn didn't ever respect boundaries and Harriet seemed to be one step from hysterics. The slapstick sequence where Harriet breaks Finn's leg made me groan and close my tablet. And yet it somehow charmed me so that I tucked with it to the completely ridiculous end. Not one of my faves had potential, but I'm picky when it comes to my jerkish heroes. I don't know quite what quality he didn't have, but actually Finn had some good qualities but it just left me meh.

Tall, Dark And Dangerously Sexy Finn Maclean Has A Reputation As A Ruthless Playboy, Never Seen Without A Beautiful Woman On His Arm. It's No Wonder That Harriet Is Suspicious Of His Lethal Brand Of Attraction. Harriet Wentworth Might Be An Experienced Lawyer, But When It Comes To Men She's An Innocent. Finn Would Be Happy To Educate Her, But Harriet Makes It Clear She Has No Intention Of Becoming Another Notch On His Bedpost. Finn Is Intrigued. Harriet Might Be The One Woman Who Claims Immunity To His Charms, But She's Also The One Woman He Can't Stop At Nothing To Have.
