I love this book so much I am always looking for these types of books And when I came across DD I fell in love One of my favorite reads off watt pad Hayley Larson Is The Girl Everyone Wants To Be She Is A Model, Has Amazing Friends And Has The Perfect Life All Of This Is, Until Her Father Is Brutally Murdered Her Perfect Life Spins Out Of Control And She Still Hasn T Picked Up The Pieces, Which Is Why She Is Sent To Downright High, The School For Delinquents Here, Hayley Finds Herself In A Mixture Of Trouble, Ranging From Enemies, Fights, Riots To Even Falling In Love Will Hayley End Up Getting Her Life Back On Track Or Will This School End Her, Once And For All one of the most best rebel book you could ever read the chapters gets interesting day by day I love this book SOOO MUCH Lauren did an amazing job with this book I remember when I first stumbled upon this book, I was just trying to pass time I ended up addicted to it It is so good Lauren s work in general is just amazing. I really enjoyed this book read it within a day Originally started reading it on Wattpad so when it finally came out I was excited Loved the ending, you got to know the main characters quite well The only thing I didn t enjoy was how every time Hayley got drunk she ended up either sleeping with someone or nearly sleeping with someone.I don t think you can connect enough emotionally with this book even though I liked the characters I wasn t able to feel sad when they were or happy when they were However, overall I liked the book a lot and looking forward if Lauren decides to write any. I love everything about
