

➤ [Read] ▶ Me Times Three By Alex Witchel ➤ – Soccerjerseys-wholesale.co

Posted on 06 May 2019 By Alex Witchel

BlurbEverything s going right for Sandra Berlin She is living in Manhattan, climbing the editorial ladder at ultra chic fashion magazine Jolie , and she s just become engaged to Bucky Ross, her high school sweetheart Bucky s her knight in shining WASP armor, a successful ad executive and a descendant of Betsy Ross, and their future promises a life of comfortable suburban bliss the Tudor mansion, the beautiful children, the country club And then, three weeks later, at a party at the Metropolitan Museum of Art, Sandy meets Bucky s other fianc e Who tells her about Bucky s third fianc e Which begins Sandy s journey through the unfamiliar world of heartbreak and betrayal and the most excruciating blind dates in the history of singledom As she tries to piece her life back together, she relies on the common sense and compassion of her best friend, Paul a rising young film agent, gorgeous, gay, and moneyed to keep her sane But even Paul has his secrets, and soon Sandy is forced, on her own, to reexamine her past and, important, what she wants for her future Me Times Three is comic and tender, outrageous and wise a shrewd, dead on portrait of a certain slice of New York life It s a story about wished for ideals versus hard realities, about being who you are versus the desire to fit in, and, finally, about how love can surprise us in the most unexpected ways.My opinionI read this book because it seemed like it had so much potential to be a great story However, that potential disappeared by the end of the first chapter The Story tells of young woman growing up and realizing what she needs and wants in her life and how to get it Or, get rid of it I was expecting a fluffy romantic comedy

and instead found a darker, thoughtful novel. The book was slow paced and often times choppy because the use of transitions was pretty weak. The basic premise of finding out that the love of your life is engaged to two other women is interesting, but the novel itself progresses at a snail's pace, the plot twists are entirely predictable. There seemed to be a lot of unneeded material. Most of the trouble with this book was bad editing. The story should have been spiced up and smoother. In conclusion, it is a simple read, and it will hold your attention for a little while. I wanted to like this book, but it simply bored me. If you want to save your time for a novel worth reading, skip this. Meh, this was pretty much what I expected from a sort of chick lit, rom com book. Our main character learns her fiancé has two other fiancées. Uh oh. This felt like it had a lot of detail as we got lots of backstory about Sandra as well as forward movement of the plot, but it really felt like the author didn't really know where the end point was. The book had interesting moments and wasn't unenjoyable to read but it seems like a bonbon, a momentary distraction but something I can barely remember details about now.

Sandra Berlin
S Got It All
She S Living In Manhattan
And Climbing The Editorial Ladder At Ultrachic Fashion Magazine
Jolie and She S Newly Engaged To Her High School Sweetheart, Bucky Ross
Bucky S Her Knight In Shining WASP Armor
Ad Executive And Descendant Of Betsy Ross, With Whom She LI Live In Suburban Tudor Splendor
And Have Beautiful Children
At Least That S The Plan Until Sandy Meets Bucky S Other Fiance Who Tells Her About The Third
Sandy S Heartbreak, Betrayal, And The Excruciating Blind Dates That Follow
Paint A Shrewd, Comic, Dead On Portrait Of The Suddenly Single Life
And Remind Us That Even When Fantasy Crashes Head On Into Hard Reality, Love Can Still Surprise Us In The Most Unexpected Ways
Ughok, so I picked this book up off the discount rack at a used bookstore. I guess I'm not really out much, but wow, talk about false advertising. I was expecting a lot of fun in this book. There's a quote on the front of the book from the New York Times, "Deliciously wrought, with a fun twist and some lovely revenge along the way." Yeah, so how about the revenge didn't even happen until page 279 of 304. WTF. Also, I kinda felt like I was reading three different books at the same time. The one where the girl gets dumped by her HS boyfriend, the one where the

In the Night Garden

A Hat Full of Sky

Little, Big

Graceling

Bridge of Birds

The Curse of Chalion

The Crystal Cave

In the Cities of Coin and Spice

Briar Rose

Summerland

Ombria in Shadow

Waking the Moon

Dark Lord of Derkholm

The Folk Keeper

The Wood Wife

The Golem and the Jinni

girl s gay best friend view spoiler gets sick and dies of AIDS
hide spoiler From the title I would it would be a completely
different story than it was The story does jump around but I
was hooked Once you find out Paul s storyline you just can t
put the book down Very random story, jumps all over the place
so I can see how it got low ratings but once I finished the book
I decided it was worth reading. Warning this text may contain
spoilers I only finished reading this book because I needed to
read a book with textured pages, and this is the only one I had
on hand It was so uninteresting that I almost stopped reading it
when I only had 30 pages left The story line is bland, the
writing was okay, the stories that the main character writes don
t make sense, and even the interesting characters are boring I
had absolutely no attachment to any of the characters Even
when the best friend of Sandra dies, I couldn t even muster up
a, that s too bad. I don t normally root against the wronged
party in the relationship but Man, is it hard to root Sandra in
this book. It was okay, some parts okay others, I wondered,
why finish This is totally forgettable chick lit that I picked up at
the library book sale because I ve read Alex Witchel s articles
in the New York Times Sandra Berlin s world is turned upside
down when her fiance turns out to have two other fiancées
Suddenly her suburban mom future is gone, and she must deal
with weird roommates, a fairly crappy job, and dismal first
dates If you didn t know that Sandy will triumph in the end, you
haven t been paying attention to the genre. Well.this book was
okay Nothing about it stood out except that I didn t like or
understand any of the characters.1 You find out your fiancée
has two other fiancées and then you pine away for him for over
a year I don t care if he was your high school sweetheart.really
And then you whine about it, and whine, and whine some And
go through your ex s trash can 1 year after you broke up I
would have rather read about her getting over her scummy
fiancée and falling in love with someone else.2 The gay best
friend who died of AIDS just seemed.wellcliche And it was a
story line that I didn t understand gay best friend who won t tell
girlfriend fiancée he is gay while he cavorts with anything
wearing pants And takes drugs like crazy and the best friend
doesn t seem to care So maybe this is because I am looking at
this from a 2013 perspective and not a 1980s perspective
when this book was written I know that a lot has changed since

Solstice Wood

Uprooted

Seventh Son

then However, I think that this is an indication that the book didn't do a good job of placing the events or the entire story into the appropriate period I felt like I was reading a modern story, but it wasn't, and, therefore, really didn't make sense to me.
