Posted on 03 November 2019 By Roberto De Vogli

Human Progress Is Heading Toward Collapse There Are Converging Ecological Crises Looming On The Horizon Climate Change, Peak Oil, Water Shortages, Fish Depletion And food Scarcities The World Is On A Collision Course Against The Limits Of The Ecosystem Modern Societies Are Consuming, Polluting And Growing As If There Is No Tomorrow Indeed, There May Not Be One In Progress Or Collapse, Roberto De Vogli Guides Us Through The Multiple Converging Global Crises Of Economic Progress He Explores The Connections Between The Environmental Crisis And The Psychological, Social, Cultural, Political And Economic Emergencies Affecting Modern Societies It Is Not A Coincidence, The Author Argues, That Global Ecological Destruction Is Occurring In Tandem With Other Crises Rising Mental Disorders, Mindless Consumerism, Rampant Conformism, Status Competition, Civic Disengagement, Startling Social Inequalities, Global Financial Instability, And Widespread Political Impasse In This Hard Hitting Analysis, Roberto De Vogli Identifies The Root Cause Of All These Symptoms Of Societal Breakdown Neoliberalism, Defined As Market Greed He Argues That In Recent Decades, Modern Societies Have Been Dominated By A Suicidal Economic Doctrine Based On Two Articles Of Faith The Greed Creed And The Market God The Greed Creed States That People Are Nothing But Selfish Profiteers In A Perpetual Search For Status And Wealth The Market God Is The Belief That All Societal And Human Affairs Are Best Regulated As Market
