Osho Is Known All Over The World As A Mystic And A Spiritual Master He Is Known For His Approach To Life, Which Emphasizes Meditation, Love And Celebration In These Talks On The Gita, Osho Reveals To The Reader Another Approach Which Is Based On Self Enquiry, On Questioning And Pondering, But At The Same Time It Is A Non Ideological Approach, Not Based On Any Fixed Principle Taken A Priori An Approach Which Is Rooted In Osho S Inner Wisdom Manifesting Itself In The World Of Thought Patterns And Concepts We May Say That This Approach Is The Birth Of A New Vision Of Sadhana, Of The Spiritual Path Osho Does Not Propose A Fixed Path With Rigid Rules, Nor Does He Propose A New Paradigm He Just Helps The Human Mind To Come To Its Natural Flowering And Keeps Reminding Us That, In The Process, The Mind Has To Question And Doubt All Concepts, Conditionings And A Priori Conclusions Within Osho, The Energy Which Is Contained In The Doubting Mind, In The Questioning Mind, Has Flowered Into A Pure Vision, Which Is Beyond Thought What Osho Calls A State Of Thoughtlessness That Is The State, Which Osho Would Like Every Seeker To Attain Osho Speaks From That Dimension But His Uniqueness, Which Differentiates Him From The Many Enlightened Souls Who Have Walked On This Earth, Is His Extraordinarily Sophisticated And Cultured Mind, Which Enables Him To Be So Articulate In His Expression Why Should We Say That Osho S Words In This Series On The Bhagavad Gita Give Birth To A Totally New Vision Of Sadhana Osho S Talks Lead Us Through The Labyrinth Of The Human Mind

4.5 5 Needless to say, this was a great read Every shloka of Geeta s first 3 of 18 adhyays has been explained in full detail and context, along with answers to questions by listeners Read it in Hindi and this was actually close to 1000 pages This is a journey that will clear a lot of cobwebs and will just blow your mind away.Having said that, let me point out a flaw Rarely but yes, Osho resorts to pseudo science and pure nonsense while explaining some concepts like reincarnation and Caste based on birth This is because unfortunately, he wants to justify every shloka of the Geeta somehow Perhaps to some questions, the answer could simply have been I dont know or This shloka is perhaps not right but he chose to twist and turn and bend and hammer to fit in everything The great destroyer of bandhans was in a bandhan of his own it seems
