

# ?KINDLE? ❁ Rolling Like Thunder (Thunder Mountain Brotherhood, #3) Author Vicki Lewis Thompson – Soccerjerseys-wholesale.co

Posted on 02 May 2018 By Vicki Lewis Thompson

The Last Cowboy All Work And No Play Makes Finn A Dull Cowboy Since His Divorce, Finn O Roarke Has Put All Of His Time Into His Seattle Based Microbrewery, Unaware That Back In Wyoming, His Foster Parents Are On The Verge Of Ruin Now Finn And His Foster Brothers Are Trying To Save Thunder Mountain Ranch And Only One Woman Can Help Them Turn It All Around Marketing Guru Chelsea Trask Has Had A Thing For The Gorgeous Brewer For Ages When They Work Together At Thunder Mountain Ranch, However, She Starts To See Finn S Cowboy Side And It S Irresistibly Hot Best Of All, The Attraction That S Been Sizzling Beneath The Surface Has Erupted In Some Very Sexy Situations But Is Chelsea Falling For The Real Finn or For The Cowboy He Used To Be Books, Coffee Passion In book 3 of Thunder Mountain Brotherhood series, we finally get Finn s story I was waiting, rather impatient, for his story since Vicki Lewis Thompson introduced Finn in book 1 And I wasn t disappointed. Finn and Chelsea have been attracted to each other for years But Finn is definitely all work and no play He s a highly driven business owner and his background story, along with his divorce, explains why he works hard to keep his dream, his brewery, successful He is fiercely loyal to his family, stunningly sexy especially with his cowboy hat on and he has a heart of gold Easy to fall in love with Finn, right Chelsea is definitely my favorite character in this series She is refreshingly honest with

who she is and what she wants She is, like Finn, a highly driven business owner with a huge talent in marketing but she also knows how to balance perfectly her busy moments and her fun moments I love how she walks, dresses, teases Finn and how she becomes fiercely loyal to Finn s family even before she met them Hard not to fall in love with Chelsea So, they travel together to the Last Chance Ranch to to raise money to save Thunder Mountain Ranch, and then they continue their trip towards Thunder Mountain Ranch where Chelsea meets Finn s family and his brotherhood. Even though Finn fights his attraction to Chelsea from the first moment they meet, Chelsea does t fight it at all She teases Finn and never hides her feelings for him Except when he was married But this trip, along with a few years of buildup, brings them closer and closer until Finn finally can t fight it any And it s a perfect, steamy, hot roller coaster with this two. Pure romance in a memorable series about loyalty, family, passion and love. ARC received for review I liked this one but not as much as the first two, and it was left open for future books with other foster brothers Finn and Chelsea were like fireworks once they hooked up It just a same it took five years to get there The middle part dragged some Stop saying the same thing twenty different ways, we got it the first time. Autry s review posted at Guilty Pleasures Book Reviews Rolling like Thunder is the last installment in the Thunder Mountain Brotherhood Series written by Vicki Lewis Thompson In Rolling like Thunder the final brotherhood member is brought to his knees by a little spitfire with lavender hair Finn O Roarke is a quiet, hard working man who prefers to be behind the bar and in the brewery rather than out front making noise Finn has worked hard to see his dreams come to life and he knows that wouldn t have happened without the help from Chelsea Denying the attraction brewing between the two for many years and now he s forced to reach out and ask for her help again Chelsea Trask is a genius when it comes to find a way to help generate funding through campaigns She has worked long hard hours to provide the right research and materials to her customers and one customer is very close to her heart When she sees the chance to reach out and help Finn and his family, she jumps on the chance While the two are off and running with the campaign, their emotions are running as well. Finn and Chelsea have been

dancing around each other for years through thick and thin the attraction has not diminished in the least The two characters and very down to earth, and I could easily picture them together in real life, the chemistry was great and yet they dialed it down for Rosie Chelsea is such a little spitfire she enjoys life to the fullest and doesn't know a stranger Her work hard play hard theory was tested many times throughout the novel It was easy to see where her heart was but Finn had the potential to crush it I enjoyed Rolling like Thunder the most out of all three books, because I felt Ms. Thompson went into detail with Finn's background I was feeling anger over certain aspects in his life and then happiness for how he overcame and continues to strive for things in life I felt hope and joy for everyone involved, but the plot had a twist I never saw coming Even with the twist and turns, this was the best book from the Thunder Mountain Brotherhood Series, a great ending to a hard fought battle from a family full of cowboys and the women they love Review copy provided for an honest review. This was a fantastic return to Thunder Mountain Ranch Thompson takes readers on a chemistry filled, hope inducing ride that travels from Seattle through Wyoming I loved the way that she painted the scenery for me along the way I felt as if I'd really been there alongside the characters This story was so filled with hope that I couldn't help but smile throughout I also enjoyed the chance to take a short trip back to Last Chance before hitting Thunder Mountain The way these two series tie together is fantastic Thompson had me crossing my fingers for the Thunder Mountain Ranch by the end of this one I was hoping for a miracle right alongside the characters Chelsea Finn's banter was so real fun You can really get up close and personal with them through it The simultaneously relaxed yet strained manner in which they interact speaks volumes Finn's inability to see reason what was right in front of him was difficult at times, but we got to see him come to grips with the ways he could balance work with life I enjoyed reacquainting myself with the other characters in the series Thompson doesn't go in depth with their development here, relying on past novels But don't worry if you haven't read the rest of the series, this can still be read as a standalone Same goes from the Chances that we encounter And I, for one, definitely need to experience a Jack Chance dance lesson This was another hot heartfelt novel from Thompson I love her look
