Journalist Megan Fielding Had To Research Corruption In The Construction Industry Without Letting People Know What She Was Doing And, Like Any Good Reporter, She Had To Keep Personal Feelings Out Of It That Became Impossible Once She Met Michael Hanley He Became Her Most Necessary Source Of Information, And Much As Well Her Growing Passion For Mike Threatened To Overwhelm Her, Until The Night He Discovered Her Secret Project And Accused Her Of Betrayal Must Megan Choose Between A Cherished Goal She S Been Seeking For Years And The Love She S Been Seeking All Her Life 2.5 stars Read this because it is my mom s favorite romance novel It was exactly what the back of the book heralded a super angsty 1980 s silhouette Everything moves very quickly the first 32 pages were a bucket of what the heck I still don t really understand why they fell in love, but the male love interest was appealing It has a nice ending and it was fun to read some retro romance so 2.5 stars.
