This book wasn't bad and it wasn't good. I liked the potential of where the book could have went, but it wasn't memorable. I really enjoyed reading this. I couldn't put it down. I enjoyed Gage and Valentine. It started out great. Good character building and setting the scene. They didn't even jump into anything until about 60% of the book. I was a little disappointed in the end. It was too fast and kinda choppy. Almost seemed like the author wanted it over. It wasn't horrible but wished it was drawn out to be a realistic ending.

curvy girl and he s a hottie there s no way he d ever be interested in her When his ranch cook leaves unexpectedly, Valentine applies for the job and Gage reluctantly hires her He actually does find Valentine attractive, but after being dumped by his ex fiance, he s not getting involved with a woman again The story was cute and quick. Yummy Cowboy Loved this BBW Western Romance between Valentine Gage I laughed and cried through through it and ended up reading it in one sitting Best of all I loved the HEA I look forward to reading books by these authors. A must read If you want a true romance story then look no further Every book by these authors, will blow you away They are tender, engaging, and of course very hot You will never want to stop reading Not bad, surprisingly I ended up really enjoying this Super quick read but fully satisfying feelings and enjoyment Will definitely be checking out these two authors other works in the future if not soon. Enjoyable story This is the first book I have read by Patricia Mason, and I really enjoyed it I loved Valentine s character, and the interaction between her and Gage, but I think Pepper was my favorite. Everything you want in your dream cowboy well eventually she gets her dream. Fun, quick, and hot story Valentine is not a size 2, she is a woman with curves, and she is comfortable with it herself She is perky, sassy, and knows what she wants she wants to cook, and preferable to Gage, the man she has had a crush since school days. Gage has noticed, and admired Valentine for a long time, but he knows Valentine is a woman for long term relationship, and those are not on Gage s plans. But when Valentine starts to work on his ranch, she is all he can think, and dream, about And as they get snowed in the cabin out on the prairie, things get out of hands, the passion they have for each other cannot be denied They have one night of endless passion But is Gage ready to commit, or will Valentine get her heart broken It was entertaining, one evening read, the characters are fresh, fun, and enjoyable The story is sweet, cute and delightful, and the tale has a pleasing ending Just a joy to read for a rainy night Three Spoons with a teaspoon on the side
