?Reading? ➔ Serving in time (Laser books ; 6) Author Gordon Eklund – Soccerjerseys-wholesale.co

In 1975 I subscribed to the first year of Laser Books releases and REALLY enjoyed every one that I read, but never got around to most of them Trying to find copies again my library went to thrift stores when I moved out of my parent s house and Serving In Time was the first one I have re obtained and now finally read.What a pleasure There was a magic about 60 s 70 s science fiction and fantasy that often seems lacking in the modern work and for me Serving In Time epitomizes that magic There is a purity to the characters and attitudes of discovery that I also felt during those years.I give this title 4 out 5 stars because I felt like it had a really nice build up, but then ended both a bit too abruptly and predictably for me It could have used another hundred or so pages, fleshing out the conclusion.A really fun read, in any case and I m looking forward to the next Laser Books read.

Looks like I ll be the first to write a review I picked this up at the town transfer station I always grab the sci fi From a series of books in the 70 s I m going to check out Gordon Eklund So far it s pretty boilerplate sci fi p 25 Cuzo s.b Cuzco Now finished with this OK but uninspiring cheapie A few interesting ideas here so I can make it a 2.75 which rounds up to 3 Notes typos sort of confusing as is common with time travel tales I see that the author was is

Peony in Love

The Spirit Catches You and You Fall Down: A Hmong Child, Her American Doctors, and the Collision of Two Cultures

I Love You s Are for White People

Dreams of Joy

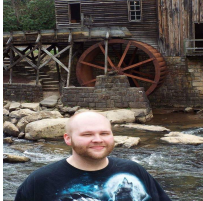

Descendant of the Crane

The Fortune Cookie Chronicles: Adventures in the World of Chinese Food

The Kite Runner

pretty prolific, including some Star Trek stuff Don t recall him though I may have read something long ago More info available on Wiki I looked up Laser in Wiki A publishing subsidiary in the mid 70 s Interesting brief history on Wiki
