

[Reading] ➔ Ecstasy (Arabesque) Author Gwynne Forster – Soccerjerseys- wholesale.co

Posted on 09 July 2017 By Gwynne Forster

A pretty decent read I skipped a lot of the last part because I got tired of the drawn out love scenes. Good story but a VERY slow read I started reading this book on June 5th and where I can usually finish a book in a couple of days, it took me over two weeks to get through it I was even able to put it down and read another book, which usually doesnt happen Great story once it picked up and got going but it took entirely too long. This was a really nice story about love, lies and misunderstandings I felt like they were playing with each others emotions and that brought on a lot of the misunderstandings and they both were missing each others point of views I was happy to see that they both ended up learning from each other on how to love and let go 3 1 2 stars Breathtaking This was the first time I have read a Gwynne Forster book, but it will not be the last This book is absolutely wonderful The characters are so realistic and interesting, and I loved the author s descriptive style I felt like I was seeing the world through the characters eyes and enjoying the sunrises and sunsets and beauty of nature with them If you believe a neurosurgeon and a college professor should sound like the educated people they are, but still fall in passionate, heads over heels love hard and completely like everyone else, this is a romance novel that you shouldn t miss Thank you Mrs Forster. Popular EPub, Ecstasy Arabesque By Gwynne Forster This Is Very Good And Becomes The Main Topic To Read, The Readers Are Very Takjup And Always Take Inspiration From The Contents Of The Book Ecstasy Arabesque , Essay By Gwynne Forster Is
