Loved the book could not put it down.. I was actually hesitant to read this book but it turned to be one of the good books I ve read so far It s a light, funny fast I d probably recommend it to my friends I ll definitely read of Pamela Britton s books, she really does write well On The Move by Pamela Britton NASCAR Series Book 6 Vicky VanCleef wants to live an independent and exciting life instead of joining her dad s law firm What could be exciting than working with sports figures as an agent When she is asked to approach the rough and handsome bad boy of NASCAR she has excitement rolling through her in spades.is it because of her job or being near him Brandon Burke is much than what people see What they see is a jerk who drives his car with a selfish and reckless attitude, not caring what his actions cause the other drivers The last thing he needs is the petite and plain looking woman his agent sends to keep him in line On second thought maybe she s exactly what he needs.Once again the author writes an exciting story on and off the race track Brandon struggles with a disability that he s been able to hide over the years rather than get help for His attitude stems from things much deeper than what the fans eye sees Vicky sees the man rather than the race car driver and likes what she sees Once again many of the previous characters are brought back for a cameo which I personally enjoy There are seven books within this series Mild languagehttp justjudysjumbles.blogspot.com As always, an awesome read from Pamela Britton I was turned on to her, of all things, by my love of NASCAR I hadn t been reading romance novels to be truthful and when I heard that Harlequin

was allowing some of the writers to mix their love of romance with their love of NASCAR, I decided to check it out. I was definitely not disappointed I'm currently starting my next novel by Pamela and I know I won't be disappointed in this one either. Absolutely fabulous I didn't stop till I finished it It has wonderful dynamic characters with engrossing and believable interactions set against the always stunning scene of racing. Average romance. DNF Insecure female MC and the dude acted as if he was a kid Not sexy. received Ce livre a t une agrable surprise pour moi, j'ai pass un bon moment avec cette petite romance contemporaine la fois douce et dr le. Il est impossible de ne pas faire un comparatif avec la s rie des Carrment d Erin McCarthy, puisque le h ros est un pilote de stock car C est un homme la carri re vacillante, qui cache des secrets derri re sa fa ade de sportif mal embouch Ses multiples incartades sur et hors du circuit, ainsi que sa d plorable attitude envers les m dias le mettent dans une situation d licate Vicky, nouvelle employ e dans l agence qui repr sente Brandon, va tre charg e de le remettre sur le droit chemin. Entre Vicky et Brandon, les tincelles fusent d s le d part, il ne cesse de se comporter comme un sale gosse, et elle ne se laisse pas faire, lui tenant t te en toute circonstance Les sc nes de joute verbale sont nombreuses et m ont fait rire de nombreuses reprises, tout comme certains passages vraiment dr les, comme l pisode de la chati re pour chien view spoiler enfin pour humain hide spoiler Vicki Bradford Might Work For The Most Ruthless Sports Agent In The Business, But She S No Quitter, Even When She Hits The Lowest Of Career Lows Acting As A Glorified Babysitter To NASCAR S Disruptive Newcomer, Brandon Burke But His Devilish Grin And The Gleam In His Eye Tell Her He Won T Be So Easy To Tame Brandon Isn T About To Let His Wild Ways On And Off The Track Be Tempered By A Buttoned Up Stunner Hired To Make Him Behave And He S Not Above A Little Pulse Pounding Game Of Seduction To Send Her Running But One Kiss Ignites Something Powerful Between Them And Now It S A Matter Of How To Avoid The Crash And Burn Of Two Opposites Steering Recklessly Toward Love
