In the interest of full disclosure, I should note that I wrote the Tales From Midgardhur. Tales From Midgardhur is a fantasy series on the website Channillo.com which costs about 5 month to subscribe the series expands the world of Midgardhur, the setting for my fantasy RPGs and novels, with short pieces of fiction. The series has been very well received, and was the Runner Up for Best Fantasy Series in the 2016 Channillo Awards. I decided to compile a book of the first nine stories, plus a bonus The Tale of Halfdanur the Black available by itself on Kindle for 0.99 , which constitutes a prequel of sorts for The Saga of Asa Oathkeeper A Midgardhur Fantasy. I hope you enjoy these stories as much as I have. This is The First Volume In A Collection Of Short Stories Set In Midgardhur, The Norse Fantasy World Of Colin Anders Brodd. Most Of These Stories Were Previously Published Online In The Channillo Series. Tales From Midgardhur Prepare To Meet Vikings And Shieldmaidens, Giants And Dragons, Wonder And Horror, Swords And Sorcery. This Collection Includes The Tale Of Halfdanur The Black, A Prequel To The Saga Of Asa Oathkeeper.
