A Fan Favorite Inspirational Suspense Story From New York Times bestselling Author Lisa Mondello A Perilous Journey To South America Is The Only Way To Retrieve The Child With Her Missing Brother S Daughter Back In Her Arms, Sonny Montgomery Finally Feels Safe Until A Handsome, Cold Eyed Bounty Hunter Stops Her Moments Before Boarding A Plane To The US Gil Waite Is After Her Brother All He Cares About Is Finding The Fugitive And Collecting His Money Sonny Won T Betray Her Family Yet She Has No Choice But To Go With Gil A Man Whose Rugged Exterior Hides The Heart Of A Hero Originally Published In She rescues her niece He rescues her It all happened so fast and they all lived happily ever after. Sequel to Cradle of Secrets In this book, Sonny is trying to get out of Columbia with her baby niece who she had to kidnap from a bad guy who kidnapped her from her mother you just have to read the first story to really understand But when she tires to board a plane, Gil, who is a bounty hunter searching for Cash, her brother, detains her My heart actually went out to the woman and baby at the thought of what a bummer this turn of events went. When Gil is finally able to reunite Sonny with her father, there is an interesting meeting between Daddy and Gil that takes place we ll call it a come to Jesus meeting The romance is a bit stiff and poorly developed The action was pretty strong throughout the book In her letter concluding the book, the author mentioned that she was working on Cash s story, but I ve checked her book list and apparently she never published it, which is sad since there were a lot of loose ends at the end of the book hence only giving three stars This
