As The Peaceful Animals At Brer Village Quickly Discover, Their New Neighbor, Mean Old Boss Lion, Has A Large Appetite For Fresh Meat When He Starts Feeding On The Brer Folk, Brer Rabbit Steps In And Saves The Day, And Teaches Boss Lion A Lesson He LI Never Forget Full Color Book I Grew up listening to stories of Brer Rabbit and love them My children have found these stories and beginning to read them also Brad Kessler did a good job keeping with the spirit of Brer Rabbit Granted the original stories are better.The audio is wonderful for this book also. I especially love the audio version of this Rabbit Ears radio book. This book is about a rabbit who uses his smart thinking skills to out wit a lion who is causing frustration in a small town This book is comical and made me laugh This story would make a good read aloud The pictures are amazing and show lots of detail There can be discussions about the characters personalities and how they handle tough situations and I think it would be fun to ask students what they would do in that situation What else could have been done to stop the lion from eating everyone you really can t help but think of splash mountain as you read this story it s an older story and I m not sure how it would fare now i mean, there is

murder and lots of selfish plotting in this story. Boss Lion threatens to eat all the inhabitants of the village, until he is outsmarted by Brer Rabbit. This book is about the kind friendly animals that live in Brer Village Until one day Boss Lion came to town The village had a meeting and decided someone needed to go to talk to Boss Lion Brer Rabbit stepped up to the plate Brer rabbit soon got his straw drawn and he was to feed himself to the lion However he came up with a plan He was able to trap Boss Lion in his well He then became the hero of the town. Southern folktale, mean old Boss Lion threatens the peaceful folk of Brer Village, and Brer Rabbit is forced to teach the carnivorous trouble maker a lesson he ll never forget Brer Rabbit outsmarts the baddest fella in the forest then saunters back to town as the local hero. An engaging children s story a modernized version of Brer Rabbit The language is lingo that children in the 21st century will understand I reviewed the book before getting it for our great grandchildren Brad Kessler is a good novelist and writer of this children s book.
