4 For characters and imagery but I enjoyed three quarters of this book before Rosalind began wearing on my nerves. Even the minor issues with the timeline only made me smile because the imagery was great even when the tale was out in left field. Excellent! I am so glad I purchased this book. What a wonderful author. This book has it all: Adventure, romance, an amazing hero, heroine. It was extremely well-written. Has made me want to read books by this amazing author. One of the best books I've read in a
