i thought this book was excellent because the girl, Sonya Crane was very nervous to move to a different school, especially because of the fact that she is caucasian and everyone else in the new school is African American There were many problems in this book and i was surprised that they got through it Sonya Crane took a big step, pretending that she was half african american and half caucasian, just to fit in Towards the end of the book her friends liked her for who she was and not what she was pretending to be This book was very good. Do you ever feel like the skin that your in isn t good enough for the enviornment which you live in Like no matter what you do you don t fit in Well in this book that s exactly how Sonya feels She is a white girl in a fully black enviroment Her mother is a house salesman when she s not wasted drunk or strung out on crack that is Her mother has a boyfriend name Madison who has sex with her mother until she s out of breath and then fills her immune system with drugs I mean Sonya is 16 when is her life going to start She has to worry about how to fit in, get an education, and take care of her mother when the beast Madison isn t around Well sonya has decided what she s going to do She made up a lie and told everyone she was mix and gets respect from everyone She hangs out with girls who smoke weed, have sex, cuss, and that are very disrespectful The girl that is the leader of this little group is Tandy Only she also hiding a secret that only sonya has discovered She s book smart, and filthy rich Tandy s mother is a fomous artist and doesn t have a worry in the world They both are trying to keep

their secret identities hidden, but i don t think they can do it Each one of them has to follows eachother command in order to keep what they know about eachother in the DL DO YOU THINK THEY CAN DO IT Read the book and find out. The book was good in a interesting way The first reason is because the white girl in the story was a activist The second and last reason was because the main character and her lover had sex out of wedlock, and they both were ok with it. I typically dont read african american novels due to the fact that most of them i live in my everyday life But i saw this book at the library and it sounded good, well it was better than good From rags to riches to rags again, drugs, ghetto girls, smart girls, fakes and phonies, sexual abuse, racial issues, unpretected sex, identity crisis This book is about a girl who is white but passes for biracial, she is sexually abused by her mother dealer boyfriend with his FAVORS , who turns out to be a junkie harvard drop out who sucked dick for drugs, her mother owned her own real estate company selling homes to the rich with an occasional sniff of coke that turned into a shooting up anything and everything and losing it all, and moved to hood, where sonya became the high yella girl with good hair becoming popular and falling in love with Kusk her BFs brother and joining Black Rebels aka NARC sonya is living a lie but so is tandy with her kick cobain and famous painter mother, mansion and AMAZING good grades, can sonya keep her lies straight while her moms with the specialist or will Tandy find out her secret when there is an unexpected new student or will sonya reveal tandys secrets to keep her own safe Read this book its amazing, i dont think books should be clasified for age group everybody will learn something from this story. I Have to say that at first this book was getting on my nerves with all the big words and everything but then it sarterd to get interesting Sonya goes to an all black school and is passed for biracial She finds it easier for her to fit in if she hides her real identity. That is until someone tries to threaten to reveal her secret. TAndy on the other hand is the ghetto black popular girl at PLD She hides her good great and the fact that her mother is a popular artist and her loving rock music But when Sonyah finds out she threatens to tell her secret..Even it can expose her own. This book is crazy becausee When Sonya Crane transferred to predominantly black Paul Lawrence Dunbar High School PLD

in Atlanta, she hadn't planned on passing as biracial. But being one of only a few white students in the school, she finds that hiding her identity makes it easier for her to fit in and gives her the kind of recognition and clique of friends she never had before. That is, until someone threatens to reveal her secret. For Tandy Herman, the most popular girl at PLD, fitting in was never a problem. She hides her good grades, rock music tastes and upper middle class black status by maintaining a ghetto girl facade. But when Sonya finds out, she threatens to reveal Tandy's secret even though it may expose her own. When Sonya Crane Transferred To Predominantly Black Paul Lawrence Dunbar High School PLD In Atlanta, She Hadn T Planned On Passing As Biracial But Being One Of Only A Few White Students In The School, She Finds That Hiding Her Identity Makes It Easier For Her To Fit In And Gives Her The Kind Of Recognition And Clique Of Friends She Never Had Before That Is, Until Someone Threatens To Reveal Her Secret For Tandy Herman, The Most Popular Girl At PLD, Fitting In Was Never A Problem She Hides Her Good Grades, Rock Music Tastes And Upper Middle Class Black Status By Maintaining A Ghetto Girl Facade But When Sonya Finds Out, She Threatens To Reveal Tandy S Secret Even Though It May Expose Her Own It was a good book alot of unexpected events happened on the book mainly a tale about frenemies and two faced people. it was kool it was just so ridiculous sonya made me wanna shoot myself.
