?BOOKS? ? The Light of Days Author Judy Batalion – Soccerjerseys-wholesale.co

This book was a bit of an information dump I m really glad that she did this research and brought these young women s stories to light, but there were so many characters and events that it was hard to keep track of them It ended up feeling to me like I was reading a string of separate anecdotes They were all gripping, but not as much as if I had been able to get attached to any of the characters I think others will likely use this book as source material to write something that feels like a story.
