A little painful to read the Nader Gore Bush stuff now, 8 years later. I love the Boondocks I do wish that in some of the strips there was less Caesar and of the other characters I mean, I like Caesar, but just not as much as I like the other characters I prefer Riley, Granddad, Tom, Cindy, and Jazmine to Caesar The strips that he s in aren t as funny as the other ones. Its the boondocks nuff said Aaron Mcgruder was one of the only people involved with the American media in any way who had the balls to speak out against some of W and co s several missteps in the touchy months following 9 11 He even lashed out at his own censors, replacing the little thugs in his comic strip with new characters called Flaggie and Ribbon Oh my God that was fucking funny I guess we all have our own ideas of what patriotism means
