Dirty Harry 5 Family Skeletons Rick Meyers Harry s cousin, Linda Donovan asks him to come to Boston to help the family He takes a week s leave to visit, though he doesn t want to In Boston he learns that a young girl that was raped and murdered was a close friend of Linda s daughter, and they re afraid she s next She s involved in a religious cult that believes in sacrificing virgins, etc A black detective is investigating the rape and murder, but he seems to be closer to the case than he should be, and knows a little too much that he isn t telling In fact, there are suspects than you can shake a stick at In fact, Linda Donovan and her husband may know than what they are telling him, and they re having marital problems to boot Rick Meyers Dirty Harry stories are all excellent, and I think this is one of his best There s a great twist at the end of this one, too.

From the opening murder to the graphic rape at the end, this is Dirty Harry meets 80s SplatterPunk Whichever of the 2 contract authors who wrote as Dane Hartman for this series really outdid themselves here. Oh, als we learn a bit about Harry s family, but no one reads these books for that They re from the Men Of Action line We read them for the action.

My least favorite of all the Dirty Harry books A muddled mystery that didn't work for me.
