

?Reading? ↗ All Fall Down Author James Leo Herlihy – Soccerjerseys-wholesale.co

Posted on 04 January 2018 By James Leo Herlihy

Forse merita di pi originale, a volte ci allontana da una sequela logica ma ci tiene l a proseguire Ci piacerebbe che la nebbia svanisse del tutto ma su questo punto dissento dall autore. Un po Robertson e un po Doig, ma con qualche decennio di anticipo Bellissima la figura di Clint, l adolescente protagonista Qualche perplessit su alcune scelte di traduzione. Browsing a Half Priced Books in Houston and looking for something to read, I came across this Been wanting to read it for some time now, given Herlihy s other novel, Midnight Cowboy This is a novel of a certain time in America, published in 1960 It reminds me a lot of Capote and MacCullers and others of that time Still writing straight ahead narratives, but taking a few chances with characters Berry berry runs a whore house for some time in this novel Later made into a movie starring a young Warren Beatty his period as a young, rebelous stud Splendor in the Grass and The Roman Spring of Mrs Stone , the novel is much the story of his younger brother, Clinton Yes, coming of age novels were really big in this period just think of To Kill a Mockingbird The last 20 or so pages are pretty impressive as he describes what Clinton is going through when he relizes his brother is responsible for the death of a wonderful woman Definitely a novel of a certain period of American writing Herlly had an up and down career, showing ability in many different fields, but never seeming to settle down in one to show his genius I doubt if I will read another book by him unless I come across a 1 copy of Midnight Cowboy in a used bookstore during my travels I do enjoy straight ahead, traditional narratives and I did enjoy reading this novel Just, a bit dated

and while it shows ability, it is not overwhelming. Read it for the character Echo. Forse merita di pi originale, a volte ci allontana da una sequela logica ma ci tiene l a proseguire Ci piacerebbe che la nebbia svanisse del tutto ma su questo punto dissento dall autore. A sad tale of two brothers set in a time and place that doesn t really exist any. Clinton S Family Has A Reputation His Father, Once A Barnstorming Radical, Is A Drinking Man Now His Brother, Berry Berry, Is A Wild Vagabond, Not Above Running A Brothel To Keep Himself Going Clinton Has Skipped School For Consecutive Days, Filling Notebooks With Overheard Conversations And Waiting For His Brother To Return Then, One Evening, Berry Berry Does Appear In An Aura Of Mystery That Swings From Excitement To Callous Destructiveness With Shattering Results It seemed to me a nice blend of Catcher in the Rye and Truman Capote s at his best Great tempo and gift for dialogue Herlihy seemed to know quite well the ground he undertook for his writing Excellent observer Through Clinton his alter ego which I surmise, he portrays all the character traits of most women fastidious, domineering, histrionic and trivial Otherwise imaginative and fickle although endearing at times that have an unbelievable erratic taste for picking their men Which explains the cause of their misfortunes this accounts worldwide for thousands of neurotic women and men as a result of it Lol. As for Berry berry he was a nightmare Herlihy tried to exorcise with this book. I liked this book but not as much as Midnight Cowboy It is very Noir ish and ultimately depressing The main character Clinton reminded me of Holden Caulfield The theme of the disturbed suburban family was a lot like Rebel Without a Cause I guess in the 50s and early 60s these themes were popular. I m currently rereading this old favorite, that I d misplaced from my college collection The playwright William Inge adapted the screenplay for the movie Though I liked the movie, it s missing a lot of the protagonist s inner musings I still think Clinton Williams character captures teen angst in its inertia, loneliness, and fear of ever launching.
