First Book CadeCadea sexy name for a sexy US Marshal Somewhat frustrated cause he feels his level of career is not going along as quickly as it should, he is placed in a position of protecting a witness in the WitSec Program Riley a perfect name for the perfect girl for Cade, cause she surely riles up Cade's temperament And here he thought he couldn't get any frustrated by anything other than his career pace, oh how he was wrong Riley knows all the wrong buttons to push to bring the bad boy out in Cade and he knows how to may it hurt so good I love how this story ends but you just know it has a continuance great story line too Thanks Paige Brenda

Second Book Madoc On his way home from his brother's wedding, deciding to stop in a little Podunk town for a bite to eat, he never imagined his world was about to go in the direction it was There was just something about her that was familiar, it was there just barely at the edge of his subconscious He starts to ignore it but then his gut instinct just won't let him It's her looks, something about that face of hers He goes with his gut and checks it out, bingo he was right there was something Oh what a tangled web we weave once we decide to deceive with a pair of glasses She can't get over how she thought that was going to work and realizing that it really didn't change anything Only thing now to do is run, again Madoca strong sexy name for a strong sexy US Marshal, thinking how in the hell do I get myself into these things and then realizes that he has no choice but to follow through with his instincts He can't let her get away, he knows what he must do Jane aka Shayna on her own, nobody that she can really turn to I can't go back, I can't let him take me back She tries to run but he won't let her He ain't taking me without a fight He's taking her back, even if he has to spank the fight out of her Then something happens that neither of them expected This is a must read Thanks Paige, I really enjoyed this book I loved Madoc's character, he seems so mysterious and

This is a great Trilogy with two great brothers who are US Marshels and the women that they love and discipline.Cade is a really good story about Riley who is in the witsec program and is always having to be moved because she believes she has been found The US Marshals send in Cade to placate her but she wants nothign to do with him or his platitudes so he no choice but to spank her to get her attention But even that doesn t help when it turns out she was right and cade is the only thing between her a killer She earns plenty of spankings along the way to getting her to a safe place but this is one

OMG Haven t even read it yet, and I am dwelling on just that cover LaterThere are three pretty good stories in this book The first two cover the two unbelievably hunky U.S Marshall Cutler brothers, Cade and Madoc, and how they found their wives although these two guys were determined they weren t ready for that at all These two women constantly get into trouble , don t obey instructions, and buy way too many shoes and the Cutler brothers are than happy to administer corrective action in the form of spankings If that s your cup of tea, you will love these stories there is nothing brutal about any of this no whips or belts it s childish, IMHO, but pretty funny,

too. The last story covers a visit to Cade and Madoc's parents ranch with their new wives, and all the trouble those two ladies get into there lots spanking, too. It's all light and pretty funny I forgot I had read this before, so I just read them again.
