Es un libro que no me ha gustado Me ha parecido bastante plano y que no me aporta mucho Despu s de tener lectura malas es un enorme gusto encontrarme con este tipo de historias.Laura logra transportarme a un M xico de antes con su hermosa pluma.El final es el punto d bil del libro, pero vale la pena conocer la historia de Lucha y J bilo.Lo que m s me gust es la manera en la que juega con la nostalgia, el c mo los personas extra an sus mejores a os Sin lugar a dudas uno de los mejores libros que he le do este a o. Luvia, A Filha De Ambos, Nascida J Ap S Essa Inexplic Vel Trag Dia Familiar, N O Vai Descansar Enquanto N O Desenterrar O Fantasma Do Passado E Desvendar O Que Est Por Detr S Dessa Hist Ria De Paix O E Amargura Trata sobre Jubilo, un hombre humilde, de buen coraz n y con el don de alegrar y escuchar a las personas que lo rodean Se enamora de Lucha, quien es bella, educada y rica Ambos pasan por algunas situaciones durante su matrimonio, que los aleja poco a poco Un libro corto, pero lindo con grandes ense anzas. This novel is a record of the love story of Jublio and Lucha Jublio is a telegraph operator who prides himself of being able to sense the true meaning behind people s words when he is passing on a message or interpreting words Lucha is a girl from a rich family, who falls hopelessly in love with Jublio and marries him, despite the fact does not have as much money as she is used to having, and she struggles with having to make ends meet every month.Their passion for one another helps them to make a happy marriage, until tragedy strikes The question that then gets asked is is passion enough to sustain a marriage The book then shows the reader how important communication is in keeping a relationship alive.I think that I had higher hopes for this one, just because it is written by Laura Esquivel, and Like Water for Chocolate is one of my all time favourite books But this one didn t quite blow me away. This is the 3rd book I ve read by Laura Esquivel and I can t recommend her books enough She has a way of giving ordinary things magical qualities She also gives you insight in other cultures and their history This story is about love, family ,trust and how communication is vital to balance and harmony I loved how she gave you both sides in Jubilo and Lucha relationships It was very clear for the reader were things got lost in translation and caused a rift between this couple I highly recommend this quick satisfying read There were some really interesting turns of phrase in this book I really admire when a translation can be melodic, poetic, and powerful.Many people have said that this book isn t as good as Like Water for Chocolate, but I don t care to make a comparison I liked this book That s enough for me.I think one thing about this book that threw me for a loop, though, was the part where Jublio s grandmother, Itzel a Mexican of Mayan descent , forms a dislike for her daughter in law based on the fact that she is white a Mexican of Spanish

descent I literally blinked and furrowed by brow Pardon me
What a surprise I guess race is very subjective I wonder if
Spaniards consider themselves white I can say with some
confidence that I doubt any Americans would say that a
Mexican, whether Spanish or not, was caucasian It sparked
this whole racial debate in my head that went on for weeks
after I d finished the book I think my Mohawk friend, Jessica,
would be a good person to discuss that with Anyway, a fine
read I hope that the next reader is pleased with it, too. Al inicio
me agrad la novela Un tanto por el mensaje alrededor de la
comunicaci n asertiva y otro tanto por las costumbres y
tradiciones mayas de su abuela Itzel.Me gust el personaje de J
bilo, su optimismo y actitud ante la vida.Pero el estilo narrativo
de Laura Esquivel me pareci muy plano y conforme avanc , la
lectura me pareci tediosa.Por fortuna, es una novela muy corta
T o Veloz como o Desejo t o bom ou melhor do que o Como
gua para Chocolate Tem o seu surrealismo intr nseco As
personagens s o inesquec veis J bilo domina o c digo Morse e
trabalha numa esta o de tel grafo, onde passa mensagens
convenientemente manipuladas J bilo tem um dom o que
percepcionar o mundo ao redor com uma clareza s sua Deste
modo, aplica a sua sensibilidade a favor do bem dos outros
desprendido e benevolente, tem um esp rito muito pr prio que,
de in cio estranhei, e depois adorei E h a Lucha, Luz Mar a, o
amor da sua vida E o modo como se separam e como s se
reencontram quando ele est cingido cama sem poder mover se
e o c digo Morse volta a ser o nico meio de comunica o sua
disposi o I just need to keep reminding myself that not
everything is as wonderful as Like Water For Chocolate But
this book does have that same sort of magical realism that
Chocolate had, and it did have many beautiful passages I
especially loved the beginning of Chapter 4, where we learn
that Love is a verb This is a tragic story of love and loss that
will probably please most It s not perfect, and it s not brilliant,
and it s not Chocolate, but it s easily better than average.
