Man Down EMS Heat, 2 by Stephani Hecht This was a very interesting second part of the series Compared to the first part, there was plot in this one the chemistry between the MC s, their interaction and Jessie s secret made this a very good read It was nice meeting characters from the book before and I will definitely continue this series 4 stars for this one I really enjoyed reading this sequel to Running Hot It s a fun, sexy story with a touch of angst and the only thing I didn t like was how short it was There s also a bit of humor, some hot sex and a sweet loving ending I m definitely happy to have read this story and would love to read of Jessie and Randal s story.Complete review posted at Rainbow Reviews I liked this one even , than the first It s plotty, intriguing, plus we ve got a chance to meet James and Calvin from the previous book The only thing that rubbed me the wrong way was the overusing of the word puppy Seriously, I m not a fan of using it in this context even once although in that case it could pass as endearment, I reckon , but so many times it just felt disturbing to me. 3.5 stars How to rate a short story I have no idea But I am in a quandary with this one because I loved it but wanted , a lot , of a back story on both Randall and Jessie But, I also like that they are short so that I can gete to the next one quicker.Oh well, sometimes there is just no pleasing me But, it is well worth the read Jessie has a past history of abuse and Randal is just the man to come into his life and love Jessie the way his heart and soul needed from any man Randal brings Jessie peace and understanding Behind that tall rock of a handsome man and hard body Randal is a gentle soul There s

not much I'd like to say other than for as short as this book is it remained entertaining I would describe this masterpiece in the same manner as a part in the story that said Hot, wild and addicting The characters are hot, the scenes are wild and Stephani's book are addicting To conclude my review I'd really be interested in reading to follow on Jessie and Randal two thumbs up 3.5 stars would have been 4 But they need to be longer Another adorable characters, albeit a little yaoi stereotyping of a big bulky man and a much smaller guy But again, both Randal and Jessie are enjoyable characters. All Jessie Goodson Wants To Do Is Put The Past Behind Him And Focus On His Dreams Of Becoming A Paramedic Broken And Scarred In Ways Than One, He Yearns To Prove To Everyone Who S Ever Doubted Him That He Can Make Something Of Himself Determined To Succeed, The Last Thing He Wants Is Anything Or Anyone To Distract Him From His Goal Randal Connors S Job Is To Train New Medics, It Sure As Hell Isn T To Mess Around Them Especially A Certain Blond, Who S Not Only Way Too Young For Him, But Haunted By A Secret Past But Forbidden Or Not, Randal Still Finds Himself Becoming Attracted To Jessie With Each Passing Day Then The Explosive Details Of Jessie S Secrets Come Out And Randal Knows He Can T Turn His Back On The Man But In Helping Jessie, Will Randal Lose Everything He Has This was just as good as the first one Jessie and Randal were great together I loved the way Randal stood by Jessie after everything came out that was great This series seems to be really good
